Text Dependent Questions First Grade:

Text-Dependent Questions, Grades K-5 Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02 Fisher Frey's answer to close and critical reading. Learn the best ways to use text dependent questions as scaffolds during close reading and the big understandings they yield. But that's just for starters. Fisher and Frey also include illustrative video texts and questions, cross-curricular examples, and an online facilitator's guide making the two volumes of TDQ a potent professional development tool across all of K-12. The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways: What does the text say? How does the text work? What does the text mean? What does the text inspire you to do?

This Is Balanced Literacy, Grades K-6 Douglas Fisher, Nancy Frey, Nancy Akhavan, 2019-08-26 This is Balanced Literacy Grades K-6. Students learn to read and write best when their teachers balance literacy instruction. But how do you strike the right balance of skills and knowledge, reading and writing, small and whole group instruction, and direct and dialogic instruction so that all students can learn to their maximum potential? The answer lies in the intentional design of learning activities, purposeful selection of instructional materials, evidence-based teaching methods, and in strategic groupings of students based on assessment data. Together, these create the perfect balance of high-impact learning experiences that engage and excite learners. In this hands-on essential guide, best-selling authors Douglas Fisher, Nancy Frey, and Nancy Akhavan help you define that balance for your students, lighting the path to implementing balanced literacy in your classroom. Their plan empowers you to integrate evidence-based approaches that include instructional materials comprised of both informational and narrative texts. The best uses of instructional delivery modes including direct and dialogic instruction. Grouping patterns that work best to accomplish learning aims for different learners at different stages. Instruction in foundational skills and meaning-making including oral language, phonemic awareness, phonics, fluency, vocabulary, comprehension, and writing. Technology used as a tool for increasing learning of a specific literary process. All the tips and tools you need to realize the goal of balanced literacy learning are included, with classroom videos that show strategies in action. Tap your intuition, collaborate with your peers, and put the research-based strategies embedded in this roadmap to work in your classroom to implement or deepen a strong, successful balanced literacy program. Grow as a reading and writing teacher while leading your students to grow as readers and writers.
