A week-long vacation was what I thought I needed after my treacherous divorce that my ex dragged on for months but I couldn't have been more wrong. Instead of unwinding and relaxing in the sun, I was under Storm's lock and key while he held me hostage until we had to pretend that we were a normal couple. But when we started pretending, the feelings became all too real for me. That's when I realized he wasn't a criminal; he was just what I needed. He was what I had always secretly wanted: muscles, attitude, and a raging passion hidden beneath his zipper. With the root of his problems staring us in the face, we're forced to test the strength of our relationship. I just hope that I can hold on to this bad boy long enough to make it to the end.

When it comes to relationships, that means burying his real feelings behind crass humor and his flirtatious playboy reputation. But after driving a stranded African American teen home, he meets a stunning woman who makes it impossible to sustain his act. As Belle slowly falls for the rugged lawman's true gentle nature, she fears he's not the type to ever commit.
