Trusting The Magic Shifting Magic:

Magic Is God; Blessed Be! Dr. Isis Day, 2015-01-08 One of the reasons you're checking out this book *Magic Is God* by Dr. Isis Day is because you're looking for the Truth and once a Truth Seeker always one. If you're seeking sincerely then the message in this book will itch in your ears till you understand them. However, one thing is for sure: You will never be the same as you were before you studied this book. This message is for your betterment, advancement, and strengthening. If well understood and applied, it will bring you power and possessions and it will make you a master of yourself and other things. No one who studies this book needs ever again fear any undue influence on the part of others. It is the author's wish for this book to help you grow in Witchcraft or as a Pagan and to help you to throw off the bonds and shackles of mental slavery. You'd then become strong, positive, optimistic, and benevolent Witches instead of weak, negative, pessimistic, and depressed Pagans. *Magic Is God* is an inspired holy book, a revelation. It is a Witch's New Testament, the Awakening ushering in a new beginning for Witches and Wizards in particular and Pagans and New Agers in general. There has never been and will never be any published material or uttered statement that could surpass this book in upholding the Truth that Magic is God. No higher Truth has ever been spoken or written of, and no higher Truth will ever be spoken or written of after this book. Those who shall devotedly and sincerely adopt this message of truth will inevitably perceive and realize the Truth whereby satisfaction and freedom are secured. Some Reviews: Being a Pagan never got better. This is definitely Magic and Witchcraft simplified. Juliette Williams: *Magic Is God* reveals the secret and true source of real power for Witches and Wizards. The Venerable Chuan Chuang: Empowering, Inspiring, and Motivating, exposing the Truth every Pagan seeks. It divulges the not-so-known spirit and language of Witchcraft for Witches and Wizards. Dr. Franco Scott: My goodness, Magic has never enjoyed such exaltation before. I suspect that some of the gods, especially those of non-Pagan religions, would be jealous of this elevation. Luxley Harris: This book *Magic Is God* by Dr. Isis Day is a rare and unique Masterpiece that will shake the foundations of what anyone already knows about Magic, Witchcraft, and Pagans. It is one small step for Pagans and New Agers in general, but a giant leap for Witches and Wizards in particular. In this book, the practice of Witchcraft gets a lot more magical than ever. XIV: Conflict of Purpose Jeff Inlo, 2019-07-17 After the tragic demise of a magic caster, Ryson Acumen questions the apparent injustices involved within the struggles of life and death. As he considers the apparent contradictions presented within past conflicts, he receives three prophetic visions from the Sword of Decree. The images contain scenes of death and destruction. There is no apparent connection within the horrors he witnesses, but he knows that all three tragedies could occur within days. Unwilling to allow such devastation to go unchallenged, he begins a search for answers. He believes the

visions are connected to certain magical enchantments placed within the blade He enlists the aid of two powerful spell casters as he hopes to unravel the mysteries of ancient energy and to defeat the misguided magic which thrives in shadows As the visions move closer to reality Ryson realizes he must do more than prevent a tragedy By accepting his role among forces he can never possibly comprehend he becomes part of a larger design to save the entire land from devastation

Magic's Translations Margaret J. Wiener, 2025-04-04 Do you believe in magic This familiar question suggests magic is easily recognized but unreal In *Magic's Translations* Margaret J Wiener argues that such views are shaped by historical power struggles especially in Europe's relations with the wider world Focusing on nineteenth and twentieth century Dutch interactions with Indonesians Wiener reveals how colonial agents framed unfamiliar practices practitioners and objects as magic rendering distinct phenomena fundamentally alike and advancing colonizing projects that deemed magic antithetical to reason and reality While colonial authorities including ethnologists mobilized the concept of magic to differentiate Europeans from Indonesians nature from culture reason from superstition and fact from fetish their efforts produced unexpected outcomes Some Indonesian artifacts and acts not only retained their power but invaded European experiences As anthropologists were among the key translators of magic throughout the world Wiener intersperses accounts of magic's translations in the Indies with reflections on anthropology's ongoing engagement with the concept She demonstrates that magic became an object of expert knowledge political control and popular fascination rather than a self evident category or relic of naïve belief

classify Jesus's healings and exorcisms as miracles. Some highly regarded scholars have argued more provocatively that the healings and exorcisms were magic and that Jesus was a magician. As Richard Horsley points out, if we make a critical comparison between modern interpretation of Jesus's healing and exorcism on the one hand and the Gospel stories and other ancient texts on the other hand, it becomes clear that the miracle and magic are modern concepts, products of Enlightenment thinking. Jesus and Magic asserts that Gospel stories do not have the concepts of miracle and magic. What scholars constructed as magic turns out to have been ritual practices such as songs, incantations, medicines, potions, and appeals to higher powers for protection. Horsley offers a critical reading of the healing and exorcism episodes in the Gospel stories. This reading reveals a dynamic relationship between Jesus the healer, the trust of those coming for healing, and their support networks in local communities. Horsley's reading of the Gospel stories gives little or no indication of divine intervention. Rather, the healing and exorcism stories portray healings and exorcisms.

Metaphysics: The Great Paradigm Shift Kathryn A. Cross, 2019-04-01 If knowing the rules to this game we call life is an advantage, just imagine what understanding and applying them could do for us all. Kathryn A. Cross's light-hearted approach to reigniting the wisdom we all have buried nice and deep inside, under years, generations, and incarnations of false programming, is simple yet life-changing. How our own instincts have become so corrupt, we have lost the ability to discern the most simple of life situations, and the revelation our immune systems are also at the mercy of this programming, is mind-blowing. *Metaphysics: The Great Paradigm Shift* touches on everything from addictions and alcoholism to wisdom and warts, with a plethora in between. In the two complete books within *Metaphysical Conundrum*, the choice between fear and faith, and *Metaphysical Causation* explains why stuff happens. The author believes we all have the POWER to live joyful and fulfilling lives but asks: are we willing, and more importantly, courageous enough to do what it takes to make the shift? The book includes metaphysical wisdom, strategies, and tidbits to assist us on our way to living that elusive joy-filled and purposeful life.
