The Literary Guide and Rationalist Review ,1925 *The Horse Review Harness Racing Guide and Trotting and Pacing Breeders' Directory for ...* ,1916 *Words Alone* Denis Donoghue,2002-08-11 When Denis Donoghue left Warrenpoint and went to Dublin in September 1946 he entered University College as a student of Latin and English A few months later he also started as a student of lieder at the Royal Irish Academy of Music These studies have informed his reading of English Irish and American literature Now in this volume one of our most distinguished readers of modern literature offers his most personal book of literary criticism Donoghue s *Words Alone* is an intellectual memoir a lucid and illuminating account of his engagement with the works of T S Eliot from initial undergraduate encounters with *The Love Song of J Alfred Prufrock* to later submission to Eliot s entire writings The pleasure of Eliot s words persists Donoghue says only because in good faith it can t be denied Submission to Eliot in Donoghue s case involves the ear as much as it does the mind He is a reader who listens attentively and a writer whose own music in these pages commands attention Whether he is writing about Eliot s poetry or confronting the often contentious prose Donoghue eloquently demonstrates what it means to read and to hear a master of language *Eros and Illness* David B. Morris,2017-02-27 When we or our loved ones fall ill our world is thrown into disarray our routines are interrupted our beliefs shaken David Morris offers an unconventional deeply human exploration of what it means to live with and live through disease He shows how desire emotions dreams stories romance even eroticism plays a crucial part in illness *The Methuen Drama Guide to Contemporary American Playwrights* Christopher Innes,Peter Paul Schnierer,Martin Middeke,Matthew C. Roudané,2013-12-19 Unrivalled in its coverage of recent work and writers *The Methuen Drama Guide to Contemporary American Playwrights* surveys and analyses the breadth vitality and development of theatrical work to emerge from America over the last fifty years This authoritative guide leads you through the work of 25 major contemporary American playwrights discussing more than 140 plays in detail Written by a team of 25 eminent international scholars each chapter provides a biographical introduction to the playwright s work a survey and concise analysis of the writer s most important plays a discussion of their style dramaturgical concerns and critical reception a bibliography of published plays and a select list of critical works Among the many Tony Obie and Pulitzer prize winning playwrights included are Sam Shepard Tony Kushner Suzan Lori Parks August Wilson Paula Vogel and Neil LaBute The abundance of work analysed enables fresh illuminating conclusions to be drawn about the development of contemporary American playwriting **Academy; a Weekly Review of Literature, Learning, Science and Art** ,1886 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the *Academy* v 79 Oct 15 Nov 5 Dec 3 and 31 1910 *Translation Review* ,2001 **IDR. Industrial Diamond Review** ,1975 *Embracing Vocation* Dianne C. Luce,2023-01-04 Revelations on craft from a foundational scholar of Cormac McCarthy Devotees of Cormac McCarthy s novels are legion and deservedly so *Embracing Vocation* which tells the tale of his journey to

become one of America's greatest living writers will be invaluable to scholars and literary critics and to the many fans interested in his work Dianne C Luce a foundational scholar of McCarthy's writing through extensive archival research examines the first fifteen years of his career and his earliest novels Novel by novel Luce traces each book's evolution In the process she unveils McCarthy's working processes as well as his personal literary and professional influences highlighting his ferocious devotion to both his craft and burgeoning art Luce invites us to see the fascinating evolution of an American author with a unique vision all his own Until there is a full on biography this study along with Luce's previous Reading the World Cormac McCarthy's Tennessee Period is the finest available portrait of an American genius unfolding T. S. Eliot, Dante, and the Idea of Europe Paul Douglass, 2011-05-25 T S Eliot greatly enhanced Dante's profound influence on European literature The essays in this volume explore Dante's importance through a focus on Eliot Probing the questions what Eliot made of Dante and what Dante meant to Eliot the essays here assess the legacy of modernism by engaging its classicist roots covering a wide spectrum of topics stemming from Dante's relevance to the poetry and criticism of Eliot The essays reflect on Eliot's aesthetic philosophical and religious convictions in relation to Dante his influence upon literary modernism through his embracing and championing of the Florentine and his desire to promote European unity The first section of the book deals with aesthetic and philosophical issues related to Eliot's engagement with Dante beginning with Jewel Spears Brooker's masterful essay on the concepts of immediate experience and primary consciousness in Eliot's work and moving on to essays considering his idea of a unified sensibility as well as Eliot's engagement with Hindu Buddhist and Christian themes and motifs The second part of the book focuses on Dante's importance to Eliot's founding work in the modernist movement In what ways did Dante directly and indirectly influence the exemplary path that Eliot blazed for his contemporaries especially Ezra Pound How early did Dante's influence show itself in Eliot's work Why was he unable to complete the great trilogy he seems to have sought to write based on Dante's *Inferno Purgatorio* and *Paradiso* These questions and their answers lead to the book's final section which considers Eliot's and Dante's role in the formation of a twentieth century concept of Europe Incisive essays on Eliot's varied sources of tradition in his attempt to promote the idea of a European union and his anxiety over the heritage of Romanticism are capped by a magisterial contribution from Dominic Manganiello showing precisely how Eliot's reformulation of the Dantesque European Epic continues to influence the work of Anglo European and Commonwealth writers **Digest; Review of Reviews Incorporating Literary Digest**, 1928 **Personality Development** P. Michiel Westenberg, Augusto Blasi, Lawrence D. Cohn, 2013-05-13 Jane Loevinger's innovative research methodology psychometric rigor and theoretical scope have attracted the attention of numerous scholars and researchers Empirical investigations employing Loevinger's Washington University Sentence Completion Test of ego development WUSCT have appeared with increasing frequency and total more than 300 studies Following the publication of the first comprehensive revision of the scoring manual for the WUSCT this volume reflects on the strengths and limitations of Loevinger's developmental model It is

divided into sections that correspond with four broad questions that can be raised about Loevinger's developmental model: What is its scope and intellectual tradition? What evidence is there for construct validity? What is its relationship to other social developmental models? What is its clinical relevance to Loevinger's model of ego development? This four-part grouping provides a framework for effectively organizing the present material and frequently the questions raised in one section are addressed in other sections as well. In the concluding chapter, Loevinger addresses some of the ideas that are proposed by the various authors. She also presents the origin of the ego development concept by recounting its history. *Academy, with which are Incorporated Literature and the English Review*, 1886

Heaven's Bride Leigh Eric Schmidt, 2010-12-07 The nineteenth-century eccentric Ida C. Craddock was by turns a secular freethinker, a religious visionary, a civil liberties advocate, and a resolute defender of belly dancing. Arrested and tried repeatedly on obscenity charges, she was deemed a danger to public morality for her candor about sexuality. By the end of her life, Craddock, the nemesis of the notorious vice crusader Anthony Comstock, had become a favorite of free speech defenders and women's rights activists. She soon became, as well, the case history darling of one of America's earliest and most determined Freudians. In *Heaven's Bride*, prize-winning historian Leigh Eric Schmidt offers a rich biography of this forgotten mystic who occupied the seemingly incongruous roles of yoga priestess, suppressed sexologist, and suspected madwoman. In Schmidt's evocative telling, Craddock's story reveals the beginning of the end of Christian America, a harbinger of spiritual variety and sexual revolution. *Defining the New Testament*

Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations. The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party. This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B. Hays' Moral Vision of the New Testament. The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant. The relevant NT passages are examined through historical-critical and narrative-critical methods. A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions. Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system. *Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch*

Julia T. Meszaros, 2016-03-03 In an age of self-affirmation and self-assertion, selfless love can appear as a threat to the lover's personal well-being. This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response. In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch, *Selfless Love and Human Flourishing* in Paul Tillich and Iris Murdoch enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover's self. It proposes that while the implausibility of selfless love was furthered by the modern

deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness Meszaros closely engages Søren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love

Myth and the Making of Modernity Michael Bell, Peter Poellner, 1998 The contributors to this collection of essays on the literary use of myth in the early twentieth century and its literary and philosophical precedents from romanticism onwards draw on a range of disciplines from anthropology comparative literature and literary criticism to philosophy and religious studies The underlying assumption is that modernist myth making does not retreat from modernity but projects a mode of being for the future which the past could serve to define Modernist myth is not an attempted recovery of an archaic form of life so much as a sophisticated self-conscious equivalent Far from seeking a return to an earlier romantic valorizing of myth these essays show how the true interest of early twentieth century myth making lies in the consciousness affirmative as well as tragic of living in a human world which in so far as it must embody value can have no ultimate grounding Although myth may initially appear to be the archaic counterterm to modernity it is thus also the paradigm on which modernity has repeatedly reconstructed or come to understand its own life forms The very term myth by combining in its modern usage the rival meanings of a grounding narrative and a falsehood encapsulates a central problem of modernity how to live given what we know

D. H. Lawrence Paul Poplawski, 1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence's life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence's achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence's career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world's foremost authorities on Lawrence's life and work The chapters that follow provide separate entries for all of Lawrence's works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism

relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time

Myth and the Making of Modernity ,2022-04-19 The contributors to this collection of essays on the literary use of myth in the early twentieth century and its literary and philosophical precedents from romanticism onwards draw on a range of disciplines from anthropology comparative literature and literary criticism to philosophy and religious studies The underlying assumption is that modernist myth making does not retreat from modernity but projects a mode of being for the future which the past could serve to define Modernist myth is not an attempted recovery of an archaic form of life so much as a sophisticated self conscious equivalent Far from seeking a return to an earlier romantic valorizing of myth these essays show how the true interest of early twentieth century myth making lies in the consciousness affirmative as well as tragic of living in a human world which in so far as it must embody value can have no ultimate grounding Although myth may initially appear to be the archaic counterterm to modernity it is thus also the paradigm on which modernity has repeatedly reconstructed or come to understand its own life forms The very term myth by combining in its modern usage the rival meanings of a grounding narrative and a falsehood encapsulates a central problem of modernity how to live given what we know
