

Aphorisms in Tuesdays with Morrie by Mitch Albom

Tuesdays With Morrie is a novel based on a true story about a professor named Morrie Shwartz and the memorable lessons he taught to the people around him, specifically his student, Mitch Albom. Morrie taught Sociology at Brandeis University. His earnestness towards teaching and the way he lived his life with care and compassion towards others allows him to be a mentor and teacher to all his students, specifically in the lessons he teaches Mitch every Tuesday. Mitch is one of Morrie's former students who comes to visit Morrie every Tuesday after learning about his illness. Along with his passion for teaching, Morrie also has a heart for dancing and music, and rather than getting caught in worldly affairs and the materialistic aspects of life, he spends his time enjoying life and creating meaningful memories and bonds with those around him. Ending his career as a professor, Morrie was diagnosed with Amyotrophic Lateral Sclerosis, or ALS. This is a disease with quickly deteriorative and degenerative effects on the muscles and is demonstrated by progressive muscle weakness. Although this ended his career as a university professor, Morrie did not put an end to his love for teaching in general. He did not let his condition take control of him and managed to remain positive through it, however he does take some time to mourn for himself in the mornings. As Morrie had always had the heart and joy of being a teacher, he taught continuously throughout his life, as well as the end of it. Morrie used the platform of Ted Koppel interviews as well as giving weekly lessons to Mitch to teach him the meaning of life, and how to accept death and live a life with meaning. Towards the end of his life, Morrie taught everyone, including family, friends, and journalists the meaning of life using his powerful words.
