

Attachment Guide

For TV Models: KDL-40WL140/KDL-46WL140/KDL-52WL140

Required Items for Assembly

Your Sony TV with XMB_™ (1) / BRAVIA_™ Internet Video Link (DMX-NV1) (1) / Cable Cover (1) / Mounting Bracket (1) / Plastic Fastener (2) / Mounting Knob (2) / Phillips Screwdriver (for removal only; not supplied)

To Begin

On the back of the TV, locate the attachment holes situated on the right side, above the rear input panel.

These instructions are shown without cables attached. We recommend that you familiarize yourself with the attachment process, then review the BRAVIA Internet Video Link's Quick Setup Guide (supplied) for information on connecting the cables.

- 1** Align the holes on the bracket (supplied) to the holes on the back of your TV.

- 2** Insert the 2 Plastic Fasteners (supplied) into the holes, then press in the head of the fasteners using your finger until they click.

- ⚠** Do not push in the head of the fastener until you have inserted the fastener into the bracket and the hole on the TV. Do not use a screwdriver to tighten the screws.

Sony Flat Panel Television User Manual

Media Convergence Handbook - Vol. 1 Artur Lugmayr,Cinzia Dal Zotto,2015-11-20 The Media Convergence Handbook sheds new light on the complexity of media convergence and the related business challenges Approaching the topic from a managerial technological as well as end consumer perspective it acts as a reference book and educational resource in the field Media convergence at business level may imply transforming business models and using multiplatform content production and distribution tools However it is shown that the implementation of convergence strategies can only succeed when expectations and aspirations of every actor involved are taken into account Media consumers content producers and managers face different challenges in the process of media convergence Volume I of the Media Convergence Handbook encourages an active discourse on media convergence by introducing the concept through general perspective articles and addressing the real world challenges of conversion in the publishing broadcasting and social media sectors

Consumer Product Innovation and Sustainable Design Robin Roy,2015-10-23 Consumer Product Innovation and Sustainable Design follows the innovation and evolution of consumer products from vacuum cleaners to mobile phones from their original inventions to

the present day It discusses how environmental concerns and legislation have influenced their design and the profound effects these products have had on society and culture This book also uses the lessons from the successes and failures of examples of these consumer products to draw out practical guidelines for designers engineers marketers and managers on how to become more effective at product development innovation and designing for environmental sustainability

Flat-Panel Displays and CRTs Lawrence E. Tannas,2012-12-06 Flat Panel Displays and CRTs a review of electronic information display devices is the first systematic and comprehensive coverage of the subject It is intended to distill our wealth of knowledge of flat panel displays and CRTs from their beginnings to the present state of the art Historical perspective theory of operation and specific applications are all thoroughly covered The field of display engineering is a multidisciplinary technical pursuit with the result that its individual disciplines suffer from a lack of communications and limited perspective Many previously developed standards for and general understanding of one technology are often inappropriate for another Care has been taken here to document the old incorporate the new and emphasize commonalities Criteria for performance have been standardized to enable an expert in one display technology such as liquid crystals to compare his device performance with that offered by another technology such as electroluminescence This book has been written with a second purpose in mind to wit to be the vehicle by means of which a new scientist or engineer can be introduced into the display society It is organized to be tutorial for use in instructional situations The first chapters begin with first principles and definitions the middle chapters set out requirements and criteria and the last chapters give a complete description of each major technology
