How to Exceed Your Expectations in the Leaving Cert Rory Crean, 2012-08-01 Where Rory Crean's How to Exceed Your Expectations in the Leaving Cert is different from other study guides is that its ideas have been tested and refined through the eyes of someone who sat his exams just one year ago. Rory got straight As. In How to Exceed Your Expectations in the Leaving Cert, Rory shares his detailed structured and fail-safe blueprint to help students at every level get through that final crucial year of school. Immersion Education

Pádraig Ó Duibhir, 2018-05-01 The body of research in this volume offers a detailed account of the success of young immersion learners of Irish in becoming competent speakers of the minority language. Taking account of in-class and out-of-class factors, it examines the variety of Irish spoken by the pupils, the extent to which the Irish spoken deviates from native speaker norms, the degree to which pupils are aware of and attempt to acquire a native-like variety, and the extent to which issues of identity and motivation are involved. The results highlight the limitations of an immersion system in generating active and accurate users of the language outside the immersion setting and will help immersion educators to gain a greater understanding of how young immersion learners learn and acquire the target language. The findings are placed in the context of other one-way immersion programmes internationally, with a particular focus on minority language settings, and make an important contribution not only to our understanding of the Irish issues but how the Irish situation can be placed in a broader scholarly and socio-political context.
