Released The Cameraman almost a decade ago critics raved about the writer's brilliance and inventiveness. Now this searing funny and prescient gem from one of our most gifted writers is available again in a re-edited version. The story is told in scenes from the point of view of Francis, a cameraman who has trained his lens on the life of his friend and mentor, an enigmatic director named Koz. The plot pivots around an actress' death on film by lethal injection, an act that has sinister implications for director Koz, who knew what was happening, and for cameraman Francis, who didn't. When Koz is brought to trial and Francis is asked to testify, the sordid truth is revealed. Here is a novel as timeless, engrossing and transgressive as cinema verité. Book jacket
