Pixie The Chihuahua Pixie Finds A Home:

The Adventures of Loki - the Husky Krishna Vemuri, Dev Gupta, 2020-12-08 The longer we look into them the deeper the ocean of possibilities seems to be In their essence a baby's eyes are God's ultimate totems of purity the purity of love When the baby grows into a teen and then into an adult something changes about those eyes Somehow they seem to lose the purity of love It's quite the opposite story when you look at a dog's eyes they are pure when they are born they are pure the day they die and they are pure every day in between They shower love on humans all through their lives However dogs barely get a chance to show the same unconditional love to their own species because they live in a human centric universe where humans call the shots Someone once said humans need dogs because there is no other way for them to experience pure love Has anyone ever wondered how things would be if dogs got to call the shots Would a dog mother ever let her baby go Would a pup ever leave her mother's side Highly unlikely because in their capacity to love a human mother is a bear mother is a whale mother is a squirrel mother is a dog mother
