generation does in moderation the next does in excess The more we continue to lower God's standards as set forth in the Bible the more we fall into immorality Just look around at where we are today If you were able to go into a future devoid of God's standards would you know enough about His standards to help others recalibrate The Bible is to us what an owner's manual is to a car If you want to know more about your life and what you can do for our posterity read it and try to live it to the best of your ability Make a difference in your own circle of influence

As an American Rights and Responsibilities William N. Spencer, 2018-03-29 Rights and responsibilities what a strange collection and connection of words But words do mean things and according to our great American Constitution and quite contrary to today's popular liberal democrat beliefs we citizens really do have very many actual responsibilities how dare we insinuate such mindless drivel and very few actual rights Among those are the rights to life liberty and the pursuit of happiness not the right to happiness but only the freedom of opportunity to pursue happiness and only if one chooses to do so or so chooses not to do so Unfortunately since the onset of modern day liberal progressivism a great majority of American citizens no longer accept the obligation of any national responsibility
