England 1350: the Black Death has changed the country forever, taking master and servant alike. Almost immediately, Oswald is confronted with the vicious murder of a young woman, Alison Starvecrow. The village priest claims it is the work of demonic dog-headed men, a theory Oswald rejects as nonsense. But proving this by finding the real killer only leads Oswald deeper into a maze of political intrigue, family secrets, and violent strife. And then the body of another girl is found.
