Rising to Your Next Level Alfred Tsipa, 2012-07 You cannot discover new oceans unless you have courage to lose sight of the shore As long as you are comfortable with where you are God cannot take you to the next level One of the greatest misfortunes of life is to grow old without growing up When a person s age does not match up with their maturity level it spells disaster for any individual The most painful truth about life is that it does not wait for you to grow up before it can throw challenges at you The challenges of life will not sympathize with our failure to grow

God's Plans for Your Life Timothy Wright, 2019-02-14 I would like to tell you about how many degrees I have or maybe the hundreds of books I have read But the truth is I am 62 years Old and the Bible is about the only book I read My wife tells me that I am dyslexic but I think it is a gift from God to help me with my poetry He has always reminded me that in my weakness his strength is made strong Over and over again in life s trials I find his strength is made perfect in my weakness So why not try something that in the world s eyes would be impossible for me to do and give God all the glory I think a lot about when I m gone will I leave something for my kids and grandkids to remember me by and pray as Moses did for God to number my days and help me to finish all he s called me to do Please contact author at twchristianpoems outlook com *Plans,*
