Isaac Rajkumar, P. Yesudhas, M. Uma Maheshwari, Jyoti Swaroop, Geeta Oberoi, Vikram Mehta, Dr LC Sharma, Term Book **Antiterrorism and Threat Response** Ross Johnson,2020-09-22 As security professionals we tend to get seduced by the beauty of our technology We go to trade exhibitions filled with the latest innovations and marvel at what we see without understanding how it fits in with what we do It s both overwhelming and distracting like trying to learn to cook by walking through a grocery store This focus on technology teaches us to judge the

effectiveness of physical protection systems by the strength of the barriers the acuity of the cameras and the sensitivity of the sensors Terrorists and criminals look for something else entirely though where we see strength they find weakness and vulnerability We are looking at the same things but not seeing the same things If we want to stop them we need to know more than how they work We need to learn to see the way they see A physical protection system that collection of people sensors barriers policies and technology is a lot like a piano and you cannot tell if a piano is in tune by looking at it You have to play it The major contribution of Antiterrorism and Threat Response Planning and Implementation 2e is the detailed instruction and practical advice on how to see the weaknesses and vulnerabilities in physical protection systems and upgrade them to meet the challenges of terrorists and criminals Key features of this book are Provides professionals with the background to understand how terrorists think and operate in order to best coordinate their counterterrorism efforts and antiterrorism strategies Examines difficult new problems facing security professionals such as the use of drones guns and the internet as a tool of both recruitment and indoctrination Teaches the reader how to step outside the security department to find and fix weaknesses and vulnerabilities in physical protection systems Introduces and discusses security management and insider threat risk management programs This is the advanced course in protecting physical assets from terrorists and criminals
