While an education-related bill passed, the billmaking that will determine if that power reaches its zenith will be decided by the voters. That might be a surprise, since Missouri did not appear to give its voters the right to decide on education issues. But there, the voters chose "your education system" and, more than any other state, Missouri placed very little of its education in a separate state education board. In education, Missouri has the most

It really just boiled for many groups and we had a fantastic turnout. There were approximately 40-50 kids with parents accompanying them to school and some for group meetings. I was really happy that we had opportunities to help them understand the situation and the importance of the situation. We were able to help them understand the situation and the importance of the situation. We were able to help them understand the situation and the importance of the situation.
