**Breweries, Politics and Identity: The History Behind Namibian Beer** Tycho van der Hoog, 2019-09-25 Namibian beer is celebrated as an inextricable part of Namibian nationalism both within its domestic borders and across global markets But for decades on end the same brew was not available to the black population as a consequence of colonial politics This book aims to explain how a European style beer has been transformed from an icon of white settlers into a symbol of the independent Namibian nation The unusual focus on beer offers valuable insight into the role companies play in identity formation and thus highlights an understudied aspect of Namibian history namely business state relations **International**

Produced by the world renowned International Institute of Strategic Studies each paper provides a short account of a subject of topical interest by a leading military figure policy maker or academic The project reprints the first forty years of papers arranged into thematic sets The collection as a whole provides a rich and insightful account of international affairs during a period which spans the second half of the Cold War the fall of the communist bloc and the emergence of a new regime with the United States as the sole superpower There is a wealth of global coverage Four volumes on east and southeast Asia as well as individual volumes on China Japan and Korea Particular attention is given to the Middle East with volumes addressing internal sources of instability geo politics and the role of the superpowers the Israel Palestine conflict and the Iran Iraq War and the first Gulf War There is also a volume on oil and insecurity There are also two volumes on Africa the site of most of the world s wars during the period The IISS has obviously made a particular contribution to the understanding of military strategy and this is reflected with material on topics such as urban and guerrilla warfare nuclear deterrence and the role of information in modern warfare Volumes on military strategy are complemented by approaches from other disciplines such as defence economics Key selling points Early papers were only distributed by the IISS and will have achieved limited penetration of the academic market A host of major authors on a range of different subjects eg Gerald Segal on China Michael Leifer on Southeast Asia Sir Lawrence Freidman on the revolution in military affairs Raymond Vernon on multinationals and defence economics Individual volumes will have a strong appeal to different markets eg the volume on defence economics for economists various volumes for Asian Studies etc Bulletin Africa Institute of South Africa,1977

**Namibia Yearbook** ,1990 The Namibia Yearbook concerns itself mainly with the economy and public affairs with occasional pieces on the environment and the arts ToC No 8 *StarBriefs 2001* ,2012-12-06 This compilation probably looks like one of the craziest things a human being could spend his or her time on Yet nobody would wonder at someone taking a short walk every day after twenty five years that person would have covered a surprisingly long distance This is exactly the story behind this list which appeared first as a few pages within the directory StarGuides or whatever name it had at that time and as a distinct sister publication since 1990 The idea behind this dictionary is to offer astronomers and related space scientists practical assistance in decoding the numerous abbreviations acronyms contractions and symbols which they might encounter in all aspects of the vast range of their professional activities including traveling Perhaps it is a bit paradoxical but if scientists quickly grasp the meaning of an acronym solely in their own specific discipline they will probably encounter more difficulties when dealing with adjacent fields It is for this purpose that this dictionary might be most often used Scientists might also refer to this compilation in order to avoid identifying a project by an acronym which already has too many meanings or confused definitions **Translations on Sub-Saharan Africa** United States. Joint Publications Research Service,1977 *Soldiers Without Politics* Kenneth W. Grundy,Kenneth William Grundy,1983-01-01
