Doing The Right Thing David Greene, 2013-11-19 Who controls today's conversation about what education should be in the classroom Bill Gates Arne Duncan Michelle Rhee Media Politicians Who has gained more and more control of what actually goes on in the classroom Bill Gates Arne Duncan Michelle Rhee Media Politicians Why Where are the voices of the thousands of talented and loved teachers whose classrooms should be models of what works regardless of the socioeconomic environment they are located I am but one of many Each of us has

gotten to be who we are as teachers through our own set of circumstances We like all other professionals learn our craft through our experiences as well as our academic preparation Some of us get to pass on what we have learned about our craft by becoming supervisors mentors or university lecturers I have mentored new teachers I have taught a graduate education class But those endeavors have reached relatively few I have even spawned new teachers inspired by me but those are even fewer Initially it is why started writing this book Much of it started as advice to give to my mentees Then some suggested to me to write a book So I did

American Education ,1970 **Advancing Pluralism in Teaching Economics** Samuel Decker,Wolfram Elsner,Svenja Flechtner,2018-09-03 The complex economic problems of the 21st century require a pluralist real world oriented and innovative discipline of economics that is capable of addressing and teaching these issues to students This volume is a state of the art compilation of diverse innovative and international perspectives on the rationales for and pathways towards pluralist economics teaching It fosters constructive controversy aiming to incite authors and commentators to engage in fruitful debates This volume addresses a number of key questions Why is it important for a social science to engage in pluralistic teaching What issues does pluralist teaching face in different national contexts Which traditions and practices in economic teaching make pluralist teaching difficult What makes economics as a canonical textbook science particular and how could the rigid textbook system be innovated in a meaningful way What can we learn from school education and other social science disciplines Through examining these issues the editors have created a pluralist but cohesive book on teaching economics in the contemporary classroom drawing from ideas and examples from around the world Advancing Pluralism in Teaching Economics offers a valuable insight into the methodology and application of pluralist economics teaching It will be a great resource for those teaching economics at various levels as well as researchers

William I. Myers and the Modernization of American Agriculture Douglas Slaybaugh,1996 During the farm credit crisis brought on by the Great Depression Myers served in Franklin D Roosevelt s New Deal government writing the legislation to consolidate federal farm credit programs After a brief stint as deputy governor he became governor of the Farm Credit Administration in 1933 Myers led the agency to two great successes saving thousands of farms from bankruptcy and establishing a permanent government sponsored credit system for farmers comparable to what private banks provided industry Myers returned to Cornell in 1938 and served for nearly fifteen years as dean of the College of Agriculture Myers also served on the board of trustees of the Rockefeller Foundation which was instituting agricultural research programs that would enable developing nations to become more productive self reliant and anticommunist members of the global community
