**History of the United States** Thomas V. DiBacco, Lorna C. Mason, Christian G. Appy, 1991      Economics Gary E. Clayton, 2008      **Todd & Curti's the American Nation** Paul S. Boyer, 1995 This book explores seven broad themes central to American history: global relations, the Constitutional heritage, democratic values, technology and society, cultural diversity, geographic diversity, and economic development. They provide a context for the historical events which will help the student understand the connections between historical events and see how past events are relevant to today's social, political, and economic concerns. Themes in American history: Throughout the book, the student is asked to think critically about the events and issues that have shaped U.S. history. Helping the student develop critical thinking skills is a key goal of the text.
