**A.** As you read this section, write your answers to the question in the appropriate boxes.

|                                                                                                                | How did the United States react, and why? |
|----------------------------------------------------------------------------------------------------------------|-------------------------------------------|
| 1. The Soviet Union exploded its first atomic bomb in 1949.                                                    |                                           |
| 2. In 1951, the Iranian prime minister placed the oil industry in Iran under the Iranian government's control. |                                           |
| 3. The Guatemalan head of government gave American-owned land in Guatemala to peasants.                        |                                           |
| 4. In 1956, Britain, France, and Israel invaded Egypt and occupied the Suez Canal.                             |                                           |
| 5. Soviet tanks invaded Hungary and fired on protesters in 1956.                                               |                                           |
| 6. In 1957, the Soviet Union launched Sputnik.                                                                 |                                           |
| 7. In 1960, the Soviet Union brought down an American U-2 piloted by Francis Gary Powers.                      |                                           |
