Ours to Lose Amy Starecheski,2016-11-07 Before the Lower East Side was one of the most expensive and heavily gentrified neighborhoods in New York City it was infamous as a site of class conflict abandonment and open air drug dealing With a deep radical history and a thriving arts scene it was also the incubator for a squatting movement that blended urban homesteading and European style squatting into something never before seen in the United States Ours to Lose by anthropologist and historian Amy Starecheski follows a diverse group of Lower East Side squatters as they occupied abandoned city owned buildings in the 1980s defended them for decades and then in 2002 began a long and difficult process of converting their illegal occupation into legal cooperative ownership This book does not just tell an interesting story about housing in New York It uses this case to shed light on how property is crucial to our sense of ourselves as social beings Starecheski also draws out surprising lessons about homeownership and the morality of debt in post recession America This is a timely contribution to the literature on urban housing inequality and direct political action by socially marginalized New Yorkers living just a few blocks from Wall Street

Sir Barton and the Making of the Triple Crown Jennifer S. Kelly,2019-05-03 The true story of a forgotten champion Bringing Sir Barton out from the shadows Jennifer Kelly restores him to a richly deserved spotlight Dorothy Ours author of Man o War He was always destined to be a champion Royally bred with English and American classic

winners in his pedigree Sir Barton shone from birth dubbed the king of them all But after a winless two year old season and a near fatal illness uncertainty clouded the start of Sir Barton s three year old season Then his surprise victory in America s signature race the Kentucky Derby started him on the road to history where he would go on to dominate the Preakness and the Belmont Stakes completing America s first Triple Crown His wins inspired the ultimate chase for greatness in American horse racing and established an elite group that would grow to include legends like Citation Secretariat and American Pharoah After a series of dynamic wins in 1920 popular opinion tapped Sir Barton as the best challenger for the wonder horse Man o War and demanded a match race to settle once and for all which horse was the greatest That duel would cement the reputation of one horse for all time and diminish the reputation of the other for the next century until now Sir Barton and the Making of the Triple Crown is the first book to focus on Sir Barton his career and his historic impact on horse racing Jennifer S Kelly uses extensive research and historical sources to examine this champion s life and achievements Kelly charts how Sir Barton broke track records scored victories over other champions and sparked the yearly pursuit of Triple Crown glory

The Review , 1929 *Coming to Senses* José Roberto Pellini, Melisa A. Salerno, Andrés Zarankin, 2015-10-05 Every culture conceives of the senses in different ways establishing their own models and sensory hierarchies Despite the importance of the senses in human experience archaeology has generally neglected the sensory dimension of the material world In response to this lacuna the contributions to this volume incorporate all the senses in imaginative scenarios in order to stimulate new ways of seeing and conceptualising archaeology and bring back the self to this science The international character of the essays brought together here including researchers and case studies from

across the globe provides a variety of perspectives on this topic from a number of scales of analysis The book will appeal to a wide range of readers including academic researchers and the general public concerned with archaeology history anthropology and sociology and will provide readers with a greater understanding of the dynamics of the senses the relationship between narratives and societies and the cultural world
