

# Revealing thoughts

A woman with dark hair, wearing a colorful, multi-colored bikini, is lying on her stomach in shallow, clear blue water. Her head is resting on the water's surface, and her arms are extended forward. The water is very clear, and her reflection is visible below her. The background shows a bright blue sky with some clouds and a horizon line.

**Making Oscar Wilde** Michèle Mendelssohn, 2018-05-17 Witty inspiring and charismatic Oscar Wilde is one of the Greats of English literature Today his plays and stories are beloved around the world But it was not always so His afterlife has given him the legitimacy that life denied him Making Oscar Wilde reveals the untold story of young Oscar s career in Victorian England and post Civil War America Set on two continents it tracks a larger than life hero on an unforgettable adventure to make his name and gain international acclaim Success is a science Wilde believed if you have the conditions you get the result Combining new evidence and gripping cultural history Mich le Mendelssohn dramatizes Wilde s rise fall and resurrection as part of a spectacular transatlantic pageant With superb style and an instinct for story telling she brings to life the charming young Irishman who set out to captivate the United States and Britain with his words and ended up conquering the world Following the twists and turns of Wilde s journey Mendelssohn vividly depicts sensation hungry Victorian journalism and popular entertainment alongside racial controversies sex scandals and the growth of Irish nationalism This ground breaking revisionist history shows how Wilde s tumultuous early life embodies the story of the Victorian era as it tottered towards modernity Riveting and original Making Oscar Wilde is a masterful account of a life like no other

**Victorian Sexual Dissidence** Richard Dellamora, 2019-04-08 Recent critical and historical work on the late Victorian period has furnished a vocabulary for discussing gender and sexuality These popular terms include categories such as homo hetero patriarchal feminist and masculine effeminate This collection exploits this framework while refining and resisting it in places to show how certain Victorians imagined difference in ways that continue to challenge us today One essay for example traces the remarkable feminist appropriation of male identified fields of study such as Classical philology Others address the validation of male bodies as objects of desire in writing painting and emergent modernist choreography The writings shed light on the diverse interests served by a range of cultural practitioners and on the complex ways in which the late Victorians invented themselves as modern subjects This volume will be essential reading for students of British literary and cultural history as well as for those interested in feminist gay and lesbian studies Contributors are Oliver Buckton Richard Dellamora Dennis

*Taste* Letitia Baldrige, 2007-05-29 Good taste is synonymous with success in all fields of life It s not a question of money but of a trained eye Taste is proportion Taste is civility Taste is the mot juste Taste is in play wherever educated people gather Taste treats men and women friends and strangers considerately Taste cannot be bought but only learned and practiced In our modern times the elegance and taste that characterized and defined such contemporary figures as Jacqueline Kennedy Onassis has been overshadowed by gaudy wealth But Tish Baldrige reminds us of the hallmarks of taste and its continued importance today Taste is a book that today has its perfect author and proponent in Letitia Tish Baldrige a Taste and Manners Icon for at least 50 years Her appearances on TV talk shows have steadily increased most recently in August on Good Morning America

**Pageants and Processions** Herman du Toit, 2009-10-02 Nowadays pageants often take the form of parades of effervescent young women competing for popular recognition in hyped up media events However these beauty pageants are a mere pastiche of the elaborate historical parades of the medieval period that took significant social religious or civic events and their protagonists as subjects Pageants were historically characterized by resplendent costuming and elaborate processions that were often given to much pomp and ceremony Pageantry has formed an important part of the civic life of most societies both ancient and modern serving a variety of cultural and political purposes The use of drama and public spectacle as an instrument of civic social and religious activism has recently become the focus of renewed academic inquiry The essays in this interdisciplinary anthology provide carefully researched insights into the phenomenon of pageantry over the centuries and across broad cultural boundaries

*Arcady in Australia* Coral Lansbury, 1971-01-01 This provocative book examines the vision of Australia in nineteenth century English literature The industrial revolution destroyed the myth of an idyllic rural way of life in England and writers like Charles Dickens Bulwer Lytton and Charles Reade created it anew in the improbable environment of Australia The popular image of Australia in English literature was Arcadian in turn it dominated the thought and traditions of writing in Australia The man who supplied the material for English writers was Samuel Sidney he was for a time regarded as an expert on Australia although he had never set foot in the antipodes and all his material was second hand His influence on the literature of the period and consequently on Australia has received scant attention Sidney s influence is fully examined the book also offers entirely new material on Wakefield Dickens Lytton and Reade It provides a new and challenging interpretation of literature and social history in both England and Australia
