Flanagan, 2020-09-01 From TV personality and radio host Bill Flanagan comes a funny and sharp Rosanne Cash Grammy Award winning singer songwriter and bestselling author time traveling adventure novel about how the past never gives up its hold on the present and how even sixty five year olds are still kids at heart If you had the chance to live your life over again knowing everything that you know now would you take it Would you still take it if it meant losing everything you had today Would a second chance to correct every mistake and missed opportunity be worth giving up the world you know and the life you have built In *Fifty in Reverse* fifteen year old Peter Wyatt does just that In the spring of 1970 Harvard psychologist Terry Canyon is introduced to Peter a quiet kid from a wealthy family who has been suspended from ninth grade for stripping off his clothes in Algebra class When Terry asks Peter why he did the boy explains that he was trying to shock myself awake It turns out that Peter believes he is a sixty five year old man who went to sleep in his home in New York in the year 2020 and woke up in his childhood bedroom fifty years earlier Hilariously depicting Peter's attempts to fit in as a fifteen year old in 1970 and to cope with the tedium foolishness and sexual temptations of high school as he tries to retain the sense of himself as a sixty five year old man *Fifty in Reverse* is a thought provoking and enlightening novel about second chances and appreciating where you are in life *Computer-Mediated Communication* Caleb T. Carr, 2021-04-29 As more of our human

interaction moves online and facilitated by digital channels it becomes increasingly important to understand how being online influences how we interact with others and ourselves This textbook introduces students to the fundamental concepts theories and applications of computer mediated communication To prevent information from being dated the text begins by building a foundational understanding of CMC theories including CMC SIP SIDE and hyperpersonal to understand how being online affects human human communication in a way that is not dependent on or embedded in a particular channel From there subsequent chapters explore how CMC intersects with and affects other communication subdisciplines including interpersonal organizational and intergroup After exploring these intersections the textbook considers various uses of CMC

including to persuade to entertain and to facilitate relationships Though contemporary examples are offered to illustrate theories and application the text is written in a way that allows and encourages scholars to think about their own media use in a broader and channel agnostic mindset applying what they learn beyond just Instagram and Snapchat to make sense of their modern and digital world
