

CERTIFICATE OF EMPLOYMENT DURING THE WAR.

(To be completed for, and handed to, each soldier.)

A soldier is advised to send a copy rather than the original when corresponding with a prospective employer.

It is particularly important that an apprentice whose apprenticeship has been interrupted by Military Service should have recorded on this form any employment in a trade similar to his own on which he has been engaged during such Military Service.

Regtl No. 51991.

Rank PTE.

Surname PERRY.
(block letters)

Christian Names in full HENRY. JOHN.

Regt. RAMC.

World At War Guide

Arthur Ward

World At War Guide:

Let's Talk about Milk Production for a World at War United States. Bureau of Agricultural Economics, 1943 All the World at War James Charles Roy, 2024-05-31 While battles and wars and the clash of civilizations are as old as time itself there is little doubt that the conflagration of 1914-1918 was something unique and terrifyingly new. There was not a corner of the globe that did not feel its effects some more than others but the scope of its impact on economies, populations, food supplies, the character of governments in general and the day to day lives of numberless ordinary people were such as the world had never experienced nor expected. Little did anyone dream that the assassination of relatively minor figures of the Habsburg royal family, Archduke Ferdinand of Austria and his wife, carried out by an unknown Serbian teenager on the street corner of an obscure town called Sarajevo that few had ever heard of, could possibly provide a spark that would plunge the entire European continent into an industrialized war of catastrophic destruction. But it did. The two shots that youth fired were surely heard around the world and several million people would perish or be maimed as a result. The story of World War I has been told by many different writers, historians and participants in many different ways especially so before and during the centennial of its events that just concluded. All the World at War stands apart from many of these standard studies. It presents a familiar story from points of view that many readers might find surprising, unexpected details, different perspectives, atypical and generally insightful observations from contemporaries, often obscure to modern readers who witnessed the events and personalities that pushed the war along from phase to phase. The narrative is chronologically arranged beautifully written with something new or intriguing on every page. This is a unique and finely paced account of The War to End all Wars that didn't.

Civilians in a World at War, 1914-1918 Tammy M. Proctor, 2010-08-30 This work explores the different ways civilians work and function in a war situation and broadens our understanding of the civilian to encompass munitions workers, nurses, laundresses, refugees, aid workers and children who lived and worked in occupied zones on home and battle fronts and in the spaces in between. Global in scope, spanning the Eastern, Western, Italian, East African and Mediterranean fronts, the author examines in detail the role of experts in the war, the use of forced labor and the experiences of children in the combatant countries. As in many wars, civilians on both sides of WWI were affected and vast displacements of the populations shaped the contemporary world in countless ways, redrawing boundaries and creating or reviving lines of ethnic conflict.

United States Army in World War 2: Reader's guide Center of Military History, *The American History Highway: A Guide to Internet Resources on U.S., Canadian, and Latin American History* Dennis A. Trinkle, 2020-10-28 This brand new addition to the acclaimed History Highway series is essential for anyone conducting historical research on North, Central or South America. Complete with a CD with live links to sites, it directs users to the best and broadest, most current information on U.S., Canadian and Latin American history available on the Internet. The American History Highway provides detailed, easy to use information on more than 1,700 websites, covers all periods of U.S., Canadian and Latin American History.

features new coverage of Hispanic American and Asian American History includes chapters on environmental history immigration history and document collections all site information is current and up to date includes a CD of the entire contents with live links to sites just install the disc go online and link directly to the sites and also provides a practical introduction to web based research for students and history buffs of all ages The World at War Taylor Downing, 2012-11-19 The World at War is the most successful history series ever produced by British television TV producer and writer Taylor Downing explores the style ethos television context and impact of the programme in a study that includes interviews with the producer Jeremy Isaacs and original research gathered from archives *An Imperial World at War* Ashley Jackson, Yasmin Khan, Gajendra Singh, 2016-07-01 At the start of the Second World War Britain was at the height of its imperial power and it is no surprise that it drew upon the global resources of the Empire once war had been declared Whilst this international aspect of Britain's war effort has been well studied in relation to the military contribution of individual dominions and colonies relatively little has been written about the Empire as a whole As such *An Imperial World at War* makes an important contribution to the historiography relating to the British Empire and its wartime experience It argues that the war needs to be viewed in imperial terms that the role of forces drawn from the Empire is poorly understood and that the war's impact on colonial societies is barely grasped at all in conventional accounts Through a series of case studies the volume demonstrates the fundamental role played by the Empire in Britain's war effort and highlights some of the consequences for both Britain and its imperial territories Themes include the recruitment and utilization of military formations drawn from imperial territories the experience of British forces stationed overseas the use of strategic bases located in the colonies British policy in the Middle East and the challenge posed by growing American power the occupation of enemy colonies and the enemy occupation of British colonies colonial civil defence measures financial support for the war effort supplied by the Empire and the commemoration of the war The Afterword anticipates a new decentred history of the war that properly acknowledges the role and importance of people and places throughout the colonial and semi colonial world This volume emanates from a conference organized as part of the Home Fronts of the Empire Commonwealth project The project was generously funded by the Arts and Humanities Research Council and led by Yasmin Khan and Ashley Jackson with Gajendra Singh as Postdoctoral Research Assistant *The World at War, 1914-1945* Jeremy Black, 2019-04-03 This text provides an innovative global military history that joins three periods World War I the interwar years and World War II Jeremy Black offers a comprehensive survey of both wars comparing continuities and differences He traces the causes of each war and assesses land sea and air warfare as separate dimensions He argues that the unprecedented nature of the two wars owed much to the demographic and industrial strength of the states involved and their ability and determination to mobilize vast resources Yet the demands of the world wars also posed major difficulties not simply in sustaining the struggle but also in conceiving of practical strategies and operational methods in the heat and competition of ever evolving conflict In

this process resources skills leadership morale and alliance cohesion all proved significant In addition to his military focus Black considers other key dimensions of the conflicts especially political and social influences and impacts He thoroughly integrates the interwar years tracing the significant continuities between the two world wars He emphasizes how essential American financial industrial agricultural and energy resources were to the Allies both before and after the United States entered each war Bringing the two world wars to life Black sheds light not only on both as individual conflicts but also on the interwoven relationships between the two Archangel World at War! Henrie Asconir,2024-09-05 During a time when the world was still developing a mysterious event occurred that was hard to explain In a place in America a baby girl was born who possessed the characteristics of an angel Exactly one year later her sister was born possessing the characteristics of a demon For God so loved us that they knew everything the past and present Including the incoming greatest conflict in human history which Lucifer will use a person to sow Great Evil several years before this happens The God Almighty has created someone who will balance the fierce war that will happen in the future The main characters are Angela the angelic girl and Lucia the demonic girl The beginning of the story also shows the origins of goodness and evil The sisters shared a deep love for each other in the early stages of their lives along with their mother in all their dreams contrary to their father It also narrates how we are shaped and influenced by those around us Angela and her companions called the Astamina tirelessly did everything they could to uphold peace against conflicts during World War II Lucia also made friends known as Arisilia Eventually she became completely evil The sisters possessed extraordinary powers and their abilities became almost like those of a real angel and demon At the story's conclusion a Japanese officer named Col Junko a serious and strict officer of the Japanese Imperial Army plays the most important role in history leading towards ultimate peace Japanese Military Strategy in the Pacific War James B Wood,2023-06-14 In this provocative history James B Wood challenges the received wisdom that Japan's defeat in the Pacific was historically inevitable He argues instead that it was only when the Japanese military prematurely abandoned its original sound strategic plan to secure the resources Japan needed and establish a viable defensible perimeter for the Empire that the Allies were able to regain the initiative and lock Japanese forces into a war of attrition they were not prepared to fight The book persuasively shows how the Japanese army and navy had both the opportunity and the capability to have fought a different and more successful war in the Pacific that could have influenced the course and outcome of World War II It is therefore a study both of Japanese defeat and of what was needed to achieve a potential Japanese victory or at the very least to avoid total ruin Wood's argument does not depend on signal individual historical events or dramatic accidents Instead it examines how familiar events could have been First World War For Dummies Seán Lang,2014-04-28 From the Somme to Gallipoli to the home front *First World War For Dummies* provides an authoritative accessible and engaging introduction to the War to End All Wars It takes a global perspective of this global conflict proving insight into the actions and motivations of the participants and how each nation's story fits into the wider

one Coverage also includes The origins of the war and a snapshot of what the world looked like at the beginning of the 20th century The battles of Western Europe and action in the Southern and Eastern Fronts The war at home the civilian war propaganda opposition politics protests and more 1918 The German spring offensive the Allied success and the beginning of the end The Treaty of Versailles the League of Nations and the effect on the future First World War For Dummies is the go to source for readers seeking to learn more about the fundamental event of the 20th century **A World at War, 1911-1949**,2019-03-27 In A World At War 1911 1949 leading and emerging scholars of the cultural history of the two world wars begin to break down the traditional barriers between the historiographies of the two conflicts identifying commonalities as well as casting new light on each as part of a broader mission in honour of Professor John Horne to expand the boundaries of academic exploration of warfare in the 20th century Utilizing techniques and approaches developed by cultural historians of the First World War this volume showcases and explores four crucial themes relating to the socio cultural attributes and representation of war that cut across both the First and Second World Wars cultural mobilization the nature and depiction of combat the experience of civilians under fire and the different meanings of victory and defeat Contributors are Annette Becker Robert Dale Alex Dowdall Robert Gerwarth John Horne Tom s Irish Heather Jones Alan Kramer Edward Madigan Anthony McElligott Michael S Neiberg John Paul Newman Catriona Pennell Filipe Ribeiro de Meneses Daniel Todman and Jay Winter See inside the book **A Guide to War Publications of the First & Second World War** Arthur Ward,2015-02-28 A fascinating guide to war propaganda of WWI and WWII from Loose Lips Sink Ships to Keep Calm and Carry On includes vintage images Firetrench A Guide to War Publications of the First Second World War is devoted to the printed ephemera that was designed to educate instruct inform and entertain during the first and second World Wars This includes soldiers Field Regulations updates airmen received about airborne early warnings bomb sights and radio navigation and materials sailors were given to help them identify enemy aircraft and operate new weapons on submarines This comprehensive guide illustrates the large amount of material produced during the war by looking at encouraging wartime sayings such as Go To IT Come Into The Factories Keep Calm and Carry On Dig for Victory Lend A Hand on the Land and Walk When You Can While showing how other messages warned of consequences to irresponsible behavior Careless Talk Cost Lives Loose Lips Sink Ships Keep It Under Your Hat and Be Like Dad Keep Mum Arthur Ward gives information on what propaganda was produced what items are still available and where to find them and how to conserve and store vintage printed items **World War II: the Encyclopedia of the War Years, 1941-1945** Norman Polmar,Thomas B. Allen,2012-08-15 This authoritative and comprehensive survey features over 2 400 entries Subjects range from battles soldiers and military activities to politics culture and the Holocaust Enlivened by 85 illustrations its panoramic perspective encompasses WWII s enduring influences on the American way of life A unique and valuable look at the war General James Doolittle **The Complete Idiot's Guide to World War II** Mitchell Geoffrey Bard,2004 WWII began in 1939 as a European conflict between Germany and an Anglo

French coalition but eventually widened to include most of the nations of the world. It ended in 1945 leaving a new world order dominated by the United States and the USSR. This book features updated and expanded coverage of the fateful D Day invasion, a critical timeline of major WW II events and a WW II timeline highlighting the crucial and most important events of the war. It will include details about major battles on land, in the air, and on the sea, starting with Hitler's rise to power and his goal of European conquest, to Japan's bombing of Pearl Harbor, to the decisive battles such as D Day and the Battle of Midway, which turned the tides of the war toward the Allies.

Americans in a World at War Brooke L. Blower, 2023-08-01 A vivid narrative of an ill-fated Pan American flight during World War II that captures the dramatic backstories of its passengers and through them the impact of Americans' global connections. On February 21, 1943, Pan American Airways celebrated seaplane the Yankee Clipper took off from New York's Marine Air Terminal and island-hopped its way across the Atlantic Ocean. Arriving at Lisbon the following evening, it crashed in the Tagus River, killing twenty-four of its thirty-nine passengers and crew. *Americans in a World at War* traces the backstories of seven worldly Americans aboard that plane: their personal histories, their politics, and the paths that led them toward war. Combat soldiers made up only a small fraction of the millions of Americans, both in and out of uniform, who scattered across six continents during the Second World War. This book uncovers a surprising history of American noncombatants abroad in the years leading into the twentieth century's most consequential conflict. Long before GIs began storming beaches and liberating towns, Americans had forged extensive political, economic, and personal ties to other parts of the world. These deep and sometimes contradictory engagements, which preceded the bombing of Pearl Harbor, would shape and in turn be transformed by the US war effort. The intriguing biographies of the Yankee Clipper's passengers among them an Olympic athlete, turned export salesman, a Broadway star, a swashbuckling pilot, and two entrepreneurs accused of trading with the enemy, upend conventional American narratives about World War II. As their travels take them from Ukraine, France, Spain, Panama, Cuba, and the Philippines to Java, India, Australia, Britain, Egypt, the Soviet Union, and the Belgian Congo, among other hot spots, their movements defy simple boundaries between home front and war front. *Americans in a World at War* offers fresh perspectives on a transformative period of US history and global connections during the American Century.

Reader's Guide to Military History Charles Messenger, 2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th-century intervention operations. Designed for a wide variety of users, it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts. The book examines naval and air warfare as well as significant individuals, including commanders, theorists, and war leaders. Each entry includes a listing of additional publications on the topic, accompanied by an article discussing these publications with reference to their particular emphases, strengths, and limitations.

At War David Kieran, Edwin A. Martini, 2018-04-05 The country's wars in Iraq and Afghanistan, its interventions around the world, and its global military presence make war the military and militarism defining features of

contemporary American life The armed services and the wars they fight shape all aspects of life from the formation of racial and gendered identities to debates over environmental and immigration policy Warfare and the military are ubiquitous in popular culture At War offers short accessible essays addressing the central issues in the new military history ranging from diplomacy and the history of imperialism to the environmental issues that war raises and the ways that war shapes and is shaped by discourses of identity to questions of who serves in the U S military and why and how U S wars have been represented in the media and in popular culture American Women in a World at War Judy Barrett Litoff,David Clayton Smith,1997 This title brings together twenty five writings by women who share their rich and varied World War II experiences from serving in the military to working on the home front to preparing for the postwar world By providing evidence of their active and resourceful roles in the war effort as workers wives and mothers these women offer eloquent testimony that World War II was indeed everybody s war Litoff and Smith combine pieces by well known writers such as Margaret Culkin Banning and Nancy Wilson Ross with important but largely forgotten personal accounts by ordinary women living in extraordinary times This volume is divided into the six sections listed below Preparing for War In the Military At Far Flung Fronts On the Home Front War Jobs Preparing for the Postwar World **Japan at War** Louis G. Perez,2013-01-08 This compelling reference focuses on the events individuals organizations and ideas that shaped Japanese warfare from early times to the present day Japan s military prowess is legendary From the early samurai code of morals to the 20th century battles in the Pacific theater this island nation has a long history of duty honor and valor in warfare This fascinating reference explores the relationship between military values and Japanese society and traces the evolution of war in this country from 700 CE to modern times In Japan at War An Encyclopedia author Louis G Perez examines the people and ideas that led Japan into or out of war analyzes the outcomes of battles and presents theoretical alternatives to the strategic choices made during the conflicts The book contains contributions from scholars in a wide range of disciplines including history political science anthropology sociology language literature poetry and psychology and the content features internal rebellions and revolutions as well as wars with other countries and kingdoms Entries are listed alphabetically and extensively cross referenced to help readers quickly locate topics of interest
