World Heritage Urban Design And Tourism:

World Heritage, Urban Design and Tourism Professor Luna Khirfan, 2014-12-28 This book offers an interdisciplinary approach to the key relationships between heritage conservation city space design and tourism development in historic cities linking theory and practice in a unique way The book offers an investigation of three Middle Eastern historic cities Aleppo Acre and Salt all of which face significant challenges of heritage conservation adaptation to contemporary needs and tourism development It presents practical scenarios for the conservation and design of historic urban spaces and the development of sustainable tourism from the perspective of planners local communities and international tourists The author offers a comparative approach which transcends political strife and provides valuable lessons for the other cities inscribed on UNESCO's World Heritage List especially those in developing countries World Heritage, Urban Design and Tourism Luna Khirfan, 2016-02-11 Urban planners and conservationists in historic cities around the world grapple with the competing interests of conservation urban design and economic and social development This book offers an interdisciplinary approach to the key relationships between heritage conservation city space design and tourism development in historic cities linking theory and practice in a unique way The book offers an investigation of three Middle Eastern historic cities Aleppo Acre and Salt all of which face significant challenges of heritage conservation adaptation to contemporary needs and tourism development It presents practical scenarios for the conservation and design of historic urban spaces and the development of sustainable tourism from the perspective of planners local communities and international tourists The author offers a comparative approach which transcends political strife and provides valuable lessons for the other cities inscribed on UNESCO's World Heritage List especially those in developing countries *Routledge Handbook on Tourism in the Middle East and North Africa* Dallen Timothy, 2018-12-07 The Routledge Handbook on Tourism in the Middle East and North Africa examines the importance of tourism as a historical economic social environmental religious and political force in the Middle East and North Africa MENA It highlights the ecological and resource challenges related to water desert environments climate change and oil It provides an in depth analysis of the geopolitical conditions that have long determined the patterns of tourism demand and supply throughout the region and how these play out in the everyday lives of residents and destinations as they attempt to grow tourism or ignore it entirely While cultural heritage remains the primary tourism asset for the region as a whole many new types of tourism are emerging especially in the Arabian Gulf region where hyper development is closely associated with the increasingly prominent role of luxury real estate and shopping retail medical tourism cruises and transit tourism The growing phenomenon of an expatriate workforce and how its segregation from the citizenry creates a dual socio economic system in several countries is unmatched by other regions of the world Many indigenous people of MENA keep themselves apart from other dominant groups in the region although these social boundaries are becoming increasingly blurred as tourism being one socio economic force for change has inspired many

nomadic peoples to settle into towns and villages and rely more on tourists for their livelihoods All of these issues and more shape the foundations of this book This Handbook is the first of its kind to examine tourism from a broad regional and inclusive perspective surveying a broad range of social cultural heritage ecological and political matters in a single volume With a wide range of contributors many of whom are natives of the Middle East and North Africa this Handbook is a vital resource for students and scholars interested in Tourism Middle East Studies and Geography **Handbook on Sustainable Urban Tourism** Cristina Maxim,Alastair M. Morrison,Jonathon Day,J. A. Coca-Stefaniak,2024-01-18 In this multidisciplinary and multi jurisdictional account of sustainability in urban tourist destinations the Handbook on Sustainable Urban Tourism draws together the latest academic research and provides key practical insights on this developing area of study It not only considers the importance of cities as ideal tourist destinations due to their complex characteristics and the variety of attractions they offer but also the challenges they are confronted with most notably sustainability **Sustainable Urban Tourism in Sub-Saharan Africa** Llewellyn Leonard,Regis Musavengane,Pius Siakwah,2020-12-27 This book investigates urban tourism development in Sub Saharan Africa highlighting the challenges and risks involved but also showcasing the potential benefits Whilst much is written on Africa s rural environments little has been written about the tourism potential of the vast natural cultural and historical resources in the continent s urban areas Yet these opportunities also come with considerable environmental social and political challenges This book interrogates the interactions between urban risks tourism and sustainable development in Sub Saharan African urban spaces It addresses the underlying issues of governance power ownership collaboration justice community empowerment and policies that influence tourism decision making at local national and regional levels Interrogating the intricate relationships between tourism stakeholders this book ultimately reflects on how urban risk can be mitigated and how sustainable urban tourism can be harnessed for development The important insights in this book will be of interest to researchers and practitioners across Tourism Geography Urban Development and African Studies **Urban Tourism in China** Mimi Li,Wu Bihu,2013-09-13 China has witnessed a dramatic development of tourism in urban context in the past thirty years especially with its success in hosting the Beijing Olympic Games in 2008 and the Shanghai World Exposition in 2010 Urban areas as tourism destination are receiving increasingly more popularity than traditional destinations such as national parks natural reserves and historical relics Deriving largely from a special issue on Urban Tourism Development and City Destination Marketing Journal of China Tourism Research Urban Tourism in China presents the readers with a collection of nine independent research reports examining issues such as consumer behaviour in urban destinations the social impact of tourism destination image leisure regional collaboration and heritage tourism in ancient towns The investigations covered urban areas of different scales and diversified nature from major metropolises such as Beijing and Guangzhou to ancient towns like Lijiang and Pingyao Readers who have interests of tourism research business development and in depth understanding of urban life in China may find the

book informative and interesting This book was published as a special issue of the Journal of China Tourism Research *The Morphology of Tourism* Philip Feifan Xie,Kai Gu,2018-11-20 Morphological research studies the physical form of landscapes including how landscape structures function and operate the adaptability of forms and how functions and forms change over time Applying the methods and models of morphology to tourism this innovative book explores some of the complex relationships between tourism and morphological changes in urban and rural destinations across the globe Tourism related impacts on the physical environment and sociocultural values surrounding a given destination reflect the need for both theoretical and empirical approaches to strengthen our understanding of the ways in which tourism functions This study examines key sectors and locations such as coastal tourism urban tourism and waterfront redevelopment which are increasingly important in terms of their influence on sociocultural and morphological transformation It advocates that awareness of the critical link between temporospatial impacts and morphological progresses is necessary to accommodate changes within a pattern of evolutionary growth International in scope employing case studies from Asia Australasia the US and Europe this book makes a new contribution to the literature and will be of interest to students and researchers of tourism planning urban design geography environmental studies and landscape architecture *The Historic Urban Landscape* Francesco Bandarin,Ron van Oers,2012-01-12 This book offers a comprehensive overview of the intellectual developments in urban conservation The authors offer unique insights from UNESCO s World Heritage Centre and the book is richly illustrated with colour photographs Examples are drawn from urban heritage sites worldwide from Timbuktu to Liverpool to demonstrate key issues and best practice in urban conservation today The book offers an invaluable resource for architects planners surveyors and engineers worldwide working in heritage conservation as well as for local authority conservation officers and managers of heritage sites *If Journal of Environmental Design and Management* ,2010-05 *Tourism Recreation Research* ,2004 *World Heritage* Roger White,John Carman,2007 21 papers from a 2006 conference at the Ironbridge institute looking at issues related to the World Heritage site scheme They are divided into 4 sections management plans the World Heritage brand in perspective sustainability and engaging with communities *Introducing Planning* Clara Greed,2000 Updated completely revised and restructured this edition includes new material on the environment European implications social issues and the politics and theories behind planning **Traditional Dwellings and Settlements Review** ,2006 **Post Proceedings of the World Conference on Cultural Design/Digital Condition Design** Yeunsook Lee,2001 **Urban Heritage, Development and Sustainability** Sophia Labadi,William Logan,2015-10-23 More than half of the world s population now live in urban areas and cities provide the setting for contemporary challenges such as population growth mass tourism and unequal access to socio economic opportunities Urban Heritage Development and Sustainability examines the impact of these issues on urban heritage considering innovative approaches to managing developmental pressures and focusing on how taking an ethical inclusive and holistic approach to urban planning and

heritage conservation may create a stronger basis for the sustainable growth of cities in the future This volume is a timely analysis of current theories and practises in urban heritage with particular reference to the conflict between and potential reconciliation of conservation and development goals A global range of case studies detail a number of distinct practical approaches to heritage on international national and local scales Chapters reveal the disjunctions between international frameworks and national implementation and assess how internationally agreed concepts can be misused to justify unsustainable practices or to further economic globalisation and political nationalism The exclusion of many local communities from development policies and the subsequent erosion of their cultural heritage is also discussed with the collection emphasising the importance of grass roots heritage and exploring more inclusive and culturally responsive conservation strategies Contributions from an international group of authors including practitioners as well as leading academics deliver a broad and balanced coverage of this topic Addressing the interests of both urban planners and heritage specialists Urban Heritage Development and Sustainability is an important addition to the field that will encourage further discourse *Far Eastern Economic Review* ,2003

Recreation and Tourism as a Catalyst for Urban Waterfront Redevelopment Stephen J. Craig-Smith, Michael Fagence, 1995-09-26 As we reach the end of the 20th century the world's cities are experiencing progressive tensions in urban use and structure Despite piecemeal redevelopment many major cities are struggling to maintain functional efficiency while sustaining acceptable levels of quality of life A notable opportunity for successful redevelopment has emerged in rehabilitation of urban waterfront areas and the present volume examines recreation and tourism as a catalyst for such waterfront redevelopment Reviewing the experiences of cities in the United States Japan the United Kingdom the Caribbean and Australia the volume points the way toward a set of principles and guidelines for the achievement of functional aesthetic and recreational harmony in urban environments **Festivals and Tourism** Philip Long, Mike Robinson, 2004 Using a wide range of international cases from a diverse range of festival and events this book provides critical perspectives on the marketing management and evaluation of festivals and their complex and dynamic relationships with tourism and tourists British Humanities Index ,2009 Philosophical Issues in Tourism John Tribe, 2009 The aim of this book is to bridge the disciplines of philosophy and tourism and to provide an analysis and application of philosophical issues of tourism In doing so this book focuses on three key areas of knowledge aesthetics and values
