Snider, 2011-02-08 Over the past fifteen years Northeast Asia has witnessed growing intraregional exchanges and interactions especially in the realms of culture and economy Still the region cannot escape from the burden of history This book examines the formation of historical memory in four Northeast Asian societies China Japan South Korea and Taiwan and the United States focusing on the period from the beginning of the Sino Japanese war in 1931 until the formal conclusion of the Pacific War with the San Francisco Peace Treaty of 1951 The contributors analyse the recent efforts of Korean Japanese and Chinese scholars to write a common history of Northeast Asia and question the underlying motivations for their efforts and subsequent achievements In doing so they contend that the greatest obstacle to reconciliation in Northeast Asia lies in the existence of divided and often conflicting historical memories The book argues that a more fruitful approach lies in understanding how historical memory has evolved in each country and been incorporated into respective master narratives Through uncovering the

existence of different master narratives it is hoped citizens will develop a more self critical self reflective approach to their own history and that such an introspective effort has the potential to lay the foundation for greater self and mutual understanding and eventual historical reconciliation in the region This book will be essential reading for students and scholars of Asian history Asian education and international relations in East Asia Princeton Review AP World History: Modern Prep 2021 The Princeton Review,2020-08 Everything students need to succeed on the AP World History Modern Exam now with 3 full length practice exams AP World History Modern Prep 2021 previously titled Cracking the AP World History Modern Exam provides students with a comprehensive review of all relevant topics from prehistoric times to the present It also includes timelines summaries and key term lists in every chapter a step by step guide to mastering the DBQ and free response essays and advice on how to use Process of Elimination to maximize multiple choice section score For the 2021 edition we are adding a brand new practice test for a total of 3 exams 2 in book 1 online *CliffsNotes AP European History with CD-ROM* Michael J.
