Use the following quote, and your knowledge of world history, to answer questions 8–11.

“We have heard that up through the Three Dynasties the Buddha was never spoken of. It was only from the Han and Wei on that the religion of idols gradually came to prominence. So in this latter age it has transmitted its strange ways, insinuating its infection with every opportunity, spreading like a rampant wine, until it has poisoned the customs of our nation, gradually — and before anyone was aware, it beguiled and confounded men’s minds so that the multitude have caused men to abandon their lands and parents for the company of teachers, and sewers men and wife with its monastic decrees, in destroying law and injuring mankind, indeed, nothing surpasses this doctrine!”
