Influence in International Relations Susanna Hast, 2016-04-01 Current events happening around the world especially the humanitarian interventions by NATO and the West within the context of the so called Arab Spring make the understanding of the role of spheres of influence in international politics absolutely critical Hast explores the practical implications and applications of this theory challenging the concept by using historical examples such as suzerainty and colonialism as well as the emergence of a hierarchical international order This study further connects the English School tradition post war international order the Cold War and images of Russia with the concept of the sphere of influence to initiate debate and provide a fresh outlook on a concept which has little recent attention **American History Teaching and Testing** Martin

James Stormzand, 1925 **Transnational Roots of the Civil Rights Movement** Sean Chabot, 2012-01-01 This book

explores collective learning in the Gandhian repertoire s transnational diffusion from the Indian independence movement to the American civil rights movement Instead of focusing primarily on interpersonal linkages or causal mechanisms it highlights how decades of translation and experimentation by various actors enabled full implementation It also shows that transnational diffusion was not a linear and predictable process but underwent numerous twists and turns It is relevant for contemporary scholars as well as activists

Americans at the Gate Carl J. Bon Tempo, 2008-10-05 Unlike the 1930s when the United States tragically failed to open its doors to Europeans fleeing Nazism the country admitted over three million refugees during the Cold War This dramatic reversal gave rise to intense political and cultural battles pitting refugee advocates against determined opponents who at times successfully slowed admissions The first comprehensive historical exploration of American refugee affairs from the midcentury to the present *Americans at the Gate* explores the reasons behind the remarkable changes to American refugee policy laws and programs Carl Bon Tempo looks at the Hungarian Cuban and Indochinese refugee crises and he examines major pieces of legislation including the Refugee Relief Act and the 1980 Refugee Act He argues that the American commitment to refugees in the post 1945 era occurred not just because of foreign policy imperatives during the Cold War but also because of particular domestic developments within the United States such as the Red Scare the Civil Rights Movement the rise of the Right and partisan electoral politics Using a wide variety of sources and documents *Americans at the Gate* considers policy and law developments in connection with the organization and administration of refugee programs
