*Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004      Crash Course World History II Roger Morante, 2020-12 This book effectively translates author John Green's YouTube video sensation of World History II Crash Courses into guided question worksheets. Students follow along with John Green's online Crash Courses and reflect upon events inside of world history using this interactive guiding question workbook. Common Core World History standards are followed in all questions asked, helping students tap into level 3 and 4 DOK Depth of Knowledge thinking skills surrounding events that have occurred throughout world history. Any student of world history wishing to pass both a high school AP world history class or a college level world history course would find this workbook useful. Crash Course World History II differs from Crash Course World History I as it focuses on the thematic relationship between events in world history throughout time. This book can be used in concordance with both high school and college world history classes in order to improve test scores, content understanding, and essay structure in writing.      *Worksheets That Teach* Quantum Scientific Publishing, 2018-12-18 Worksheets That Teach are completely different than normal classroom worksheets because they actually teach the content. Each content-based self-contained worksheet lesson begins by actually teaching the content in the stated learning objective's before moving into the set of exercises that are normally found in a classroom worksheet.
