*World of Warcraft: Stormrage* Richard A. Knaak,2010-02-23 When the world of Azeroth was young the god-like titans brought order to it by reshaping its lands and seas Throughout their great work they followed a magnificent design for what they envisioned Azeroth would become Although the titans departed Azeroth long ago that design endures to this day It is known as the Emerald Dream a lush and savagely primal version of the WORLD OF WARCRAFT Many are the mysteries surrounding the Emerald Dream and its reclusive guardians the green dragonflight In times past druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never ending quest to maintain the delicate balance of nature However not all dreams are pleasant ones Recently the Emerald Nightmare an area of corruption within the Emerald Dream began growing in size transforming the Dream into a realm of unimaginable horror Green dragons have been unexpectedly caught up in the Nightmare emerging from it with shattered minds and twisted bodies Druids who have entered the darkening Dream lately have found it difficult sometimes even impossible to

escape Nor are these the Nightmare s only victims more and more people are being affected Even Malfurion Stormrage first and foremost of the druids on Azeroth may have fallen victim to this growing threat As uncontrollable nightmares spread across the world a desperate quest begins to find and free the archdruid Soon nature s enemies will learn the true meaning of the name STORMRAGE
