Prostitution, Trafficking, and Traumatic Stress PhD, Melissa Farley, 2004-04-15 Prostitution Trafficking and Traumatic Stress offers the reader an analysis of prostitution and trafficking as organized interpersonal violence Even in academia law and public health prostitution is often misunderstood as sex work The book s 32 contributors offer clinical examples analysis and original research that cou **Listening to Olivia** Jody Raphael, 2015-11-01 For nineteen years Olivia lived the shadowy life of stripper streetwalker and heroin addict on the fringes of society Leaving a troubled home at age sixteen to land a seemingly glamorous job at a Chicago stripclub she became trapped in a web of prostitution and drug addiction that eventually forced her onto the streets and into a world of hardship at the hands of abusive men But Olivia a resourceful vibrant woman of color ultimately escaped the prostitution lifestyle and is now director of addiction services at a community counseling program working to support drug dependent women Listening to Olivia is the compelling account of her descent into poverty and abuse together with her hard fought recovery By assimilating new research on the women and girls in prostitution in addition to their male customers Jody Raphael discovers that experiences like Olivia s are alarmingly common and argues that the sex trade as an institution promotes violence against women Smashing both the common stereotype of the depraved streetwalker and abstract feminist arguments legitimizing prostitution as the sexual liberation of women the author uncovers an emerging multimillion dollar global trafficking industry that detains women in a violent cycle of exploitation and dependence Olivia s own insights on her turbulent childhood stripping in clubs soliciting on the street drug addiction brutal pimps her three pregnancies and her extraordinary transformation highlight important new questions who are the men who buy sex from such poor strung out women and why are so many of these men so violent Olivia s story gives a human face to the overwhelmingly low income non white and unempowered young women in prostitution today Combined with a wealth of new findings this gripping and accessible study challenges the academy the legal system and society as a whole to wake up and listen to the women like Olivia Understanding and Proving International Sex Crimes Morten Bergsmo, Alf Butenschøn Skre, Elisabeth J. Wood, 2012-04-25 This anthology addresses the gap between international standard setting prohibiting international sex crimes and actual accountability for individuals who are responsible for such crimes The book provides detailed analysis of the legal requirements of international sex crimes and types of fact that can be used to meet these requirements It includes a unique knowledge base that digests international case law on such crimes The anthology also contains several studies of institutional and evidentiary challenges in the prosecution of international sex crimes Series pref **Population Mobility and Infectious Disease** Yorghos Apostolopoulos, Sevil Sonmez, 2007-05-06 Population Mobility and Infectious Disease moves beyond traditional behavioral and demographic theories of disease diffusion to focus on larger issues of social ecology and public health With depth rarely seen in the international literature it explores the complex and varied roles of mobile transient and displaced populations in the worldwide spread of airborne

waterborne and sexually transmitted infections The book argues that while biomedical events cause disease social forces such as poverty and marginalization magnify them by giving them new opportunities to take hold Population mobility either voluntary or forced brings contact between populations with different disease prevalence rates outbreaks in turn are compounded by inequalities in access to medical care From Katrina to Darfur and from influenza to AIDS an expert panel of health and social scientists bring the socioeconomic context of epidemics into clear focus Historical perspectives on migration development and epidemics Social resources and health barriers among migrant groups The role of mobile labor populations e g migrant workers truckers the military in disease transmission War refugees resettlement health effects on the world scale Natural disasters and climate change their local and global disease impact Leisure travel and health risks from spring break binges to commercial sex tourism Methodological and design issues confronting researchers The politics of prevention ethical concerns in migration related illness The unique scope of this book makes it as timely as the next health crisis and relevant to a gamut of interrelated fields including public and international health epidemiology psychology sociology anthropology human rights and development and planning By expanding concepts examining trends and pinpointing areas for intervention it is a critical resource for the academic research practice and policy sectors

Cyberfeminism Susan Hawthorne, Renate Klein, 1999 This collection explores the possibilities for feminism in cyberspace It also looks at the pitfalls of the medium with theorists examining trafficking of women perception of the body and the problems of global and homogenised culture *The Harvey Milk Institute Guide to Lesbian, Gay, Bisexual, Transgender, and Queer Internet Research* Alan L Ellis, Melissa White, Kevin Schaub, 2023-04-21 Find the facts figures and connections you need on the Internet This powerful reference tool is the most comprehensive reliable guide to Internet resources for the LGBTQ community More than just a guide to useful Web sites it also evaluates LGBTQ mailing lists message boards search engines and portals The Harvey Milk Institute Guide to Lesbian Gay Bisexual Transgender and Queer Internet Research provides background information as well as useful URLs It covers the history and objectives of major sites The in depth interviews with leaders of the queer Internet include discussions with Barry Harrison Director of Queer Arts Resources and Sister Mary Elizabeth founder of AEGiS The Harvey Milk Institute Guide to Lesbian Gay Bisexual Transgender and Queer Internet Research includes resources for a variety of academic disciplines including the humanities the social sciences law labor studies media studies transgender and intersex studies and more Edited by Alan L Ellis co chair of the institute s board of directors The Harvey Milk Institute Guide to Lesbian Gay Bisexual Transgender and Queer Internet Research is an indispensable tool for researchers community leaders and scholars *Gender, Sexuality and Violence in Organizations* Jeff Hearn, Wendy Parkin, 2001-07-05 This exceptionally interesting study provides an up to date and integrated perspective on organizations violence gender and sexuality It pays particular attention to the power wielded by hierarchies of heterosexual men and the ways in which this produces violence in different carefully analyzed forms This book is a major contribution to

the construction of sociological and political knowledge that is not founded on the dominant definitions of heterosexual masculinities Professor Terrell Carver University of Bristol This is a wide ranging and authoritative book The authors draw attention to the huge amount of evidence now available that documents the gendering and sexualising processes at the core of organisational life While they never nag about violation and inequality they are nonetheless relentless in confronting the reader with the weight of evidence Professor Rosemary Pringle University of Southampton This book brings together the themes of gender sexuality violence and organizations The authors synthesize the literature and research which has been done in these fields and provide a coherent framework for understanding the interrelationship between these concepts The importance of violence and abuse and particularly men s violence to women children and other men has been well established especially through feminist and some pro feminist research The insights of this scholarship have rarely been applied to organizational analysis The authors draw on this literature and their own research as well as relevant literatures on safety and risk at work anxiety and stress at work organizational policies on violence sexual harassment and bullying in organizations and male sexuality to provide valuable information on violence in and around organizations Gender Sexuality and Violence in Organizations breaks new ground in organization studies and will be essential reading for academics and students in both organization studies and all those studying issues of gender and sexuality in organizations

The Darkness Gathers Lisa Unger,2011-11-01 Fresh from a tour promoting her last case reclusive true crime writer Lydia Strong receives an anonymous cry for help begging her to find and protect Tatiana Quinn and all the other girls in need of rescue Maybe the plea strikes close to her heart maybe her investigator s intuition starts buzzing She takes it on But this simple case of a missing teenager soon becomes much more Someone wants Lydia to drop the case someone powerful someone anxious enough to engineer the reappearance of one of Lydia s first and most dangerous adversaries Now in addition to tracing the roots of Tatiana s disappearance on a trail across the country and eventually overseas Lydia must find the man who wants her dead his unfinished business from years ago

Women's Rights and Bioethics Lorraine Dennerstein,Margret M. Baltes,2000-01-01 Advances in the biomedical sciences have raised pertinent and often paradoxical questions concerning the relationship between women s health and their rights This book based on the Round Table on Bioethics and Women held at UNESCO during the Fourth Session of the International Bioethics Committee IBC presents the experience of field workers and actors in areas as diverse as health legal affairs governance education and psychology It takes into account both the various stages of the biological life span and the insertion of women in a particular socio economic and cultural context Although the book does not claim to be exhaustive it shows to what extent the specificity of issues related to women in relation to bioethical issues has sometimes been underestimated Based on numerous socio cultural experiences throughout the world it also provides a useful general view for readers who wish to pursue research or studies in this field UNESCO website

Passenger Behaviour Robert Bor,2017-03-02 With 2003 being the 100th anniversary of modern aviation

Passenger Behaviour was published at a milestone for the aviation industry Remarkable achievements in engineering have made air travel highly accessible within the span of a single lifetime However when evolutionary barriers are exceeded various penalties are exacted The most common experienced by air passengers include motion sickness jetlag and increased arousal and stress at different stages of flight Air travel also brings us into closer contact with strangers making our examination and understanding of the social psychology of behaviour within groups among passengers especially relevant This book examines a wide range of topics that help the reader to acquire a psychological understanding of how air travel impacts on human relationships behaviour as well as physiological functions Written by leading authorities in their areas it is intended primarily for those with an interest in passenger behaviour and those who work professionally in commercial aviation This includes pilots cabin crew ground staff airline and airport managers aviation psychologists human factors specialists aerospace medical nursing personnel and aircraft designers and manufacturers As air travel being an integral part of most people s lives this book will also be of interest to anyone who travels either on a frequent or infrequent basis

Mooring the Global Archive Martin Dusinberre,2023-10-05 Martin Dusinberre follows the Yamashiro maru steamship across Asian and Pacific waters in an innovative history of Japan s engagement with the outside world in the late nineteenth century This compelling in depth analysis reconstructs the lives of some of the thousands of male and female migrants who left Japan for work in Hawai i Southeast Asia and Australia These stories bring together transpacific historiographies of settler colonialism labour history and resource extraction in new ways Drawing on an unconventional and deeply material archive from gravestones to government files paintings to song and from digitized records to the very earth itself Dusinberre addresses key questions of method and authorial positionality in the writing of global history This engaging investigation into archival practice asks what is the global archive where is it cited and who are we as we cite it This title is also available as Open Access

The Darkness Gathers Lisa Miscione,2003-04-05 Following up Angel Fire Lisa Miscione s gritty acclaimed debut featuring reclusive true crime writer Lydia Strong this second novel ratchets up the suspense and the stakes Fresh from a book tour promoting her account of her last case Lydia receives an anonymous cry for help in her fan mail a tape of a missing young girl s desperate message on an answering machine The accompanying note begs Lydia to find and protect Tatiana Quinn and all the other girls in need of rescue Maybe the plea strikes close to her heart maybe her investigator s intuition starts buzzing But she can t stop thinking about Tatiana Quinn But this simple case of a missing teenager soon becomes much more Apparently someone is anxious that Lydia drop the case someone powerful someone who grows anxious enough to engineer the reappearance of one of Lydia s first and most dangerous adversaries Now in addition to tracing the roots of Tatiana s disappearance on a trail across the country from New York to Miami and eventually overseas Lydia must find the man who wants her dead his unfinished business from years ago Miscione s talents for creating taut prose and bone chilling suspense come alive once again in this gripping novel about obsession greed and revenge

Williams, 2005-08 In a world that is often ruled by buyers and sellers those things that are often considered priceless become objects to be marketed and from which to earn a profit *Whose Body is It?*, 2002 **The Bomb** Gerard J. De Groot, 2005 Bombs are as old as hatred itself But it was the twentieth century one hundred years of incredible scientific progress and terrible war that brought forth the Big One the Bomb humanity's most powerful and destructive invention In *The Bomb A Life* Gerard DeGroot tells the story of this once unimaginable weapon that at least since 8 16 a.m. on August 6 1945 has haunted our dreams and threatened our existence The Bomb has killed hundreds of thousands outright condemned many more to lingering deaths and made vast tracts of land unfit for life For decades it dominated the psyches of millions becoming a touchstone of popular culture celebrated or decried in mass political movements films songs and books DeGroot traces the life of the Bomb from its birth in turn of the century physics labs of Europe to a childhood in the New Mexico desert of the 1940s from adolescence and early adulthood in Nagasaki and Bikini Australia and Kazakhstan to maturity in test sites and missile silos around the globe His book portrays the Bomb's short but significant existence in all its scope providing us with a portrait of the times and the people from Oppenheimer to Sakharov Stalin to Reagan whose legacy still shapes our world **Resources in education**, 1991 *Ghosts of Archive* Verne Harris, 2020-12-21 *Ghosts of Archive* draws on the discourses of deconstruction intersectionality and archetypal psychology to mount an argument that archive is fundamentally and structurally spectral and that the work of archive is justice Drawing on more than 20 years of the author's research on deconstruction and archive the book posits archive as an essential resource for social justice activism and as a source or location of soul for individuals and communities Through explorations of what Jacques Derrida termed hauntology Harris invites a listening to the call for justice in conceptual spaces that are non disciplinary He argues that archive is both constructed in relation to and beset by ghosts ghosts of the living of the dead and of those not yet born and that attention should be paid to them Establishing a unique nexus between a deconstructive intersectionality and traditions of memory for justice in struggles against oppression from South Africa and elsewhere the book makes a case for a

deconstructive praxis in today's archive Offering new ideas about spectrality banditry and archival activism *Ghosts of Archive* should appeal to those working in the disciplines of archival science information studies and psychology It should also be essential reading for those with an interest in social justice issues transitional justice history philosophy memory studies and postcolonial studies **The Resource Book** Bryan Strong, 2002 *Rainbow Cattle Co* Nicholas Villanueva (Jr), 2024
Nicholas Villanueva Jr investigates the untold story of the founders of an organization that helped gay rodeo participants persevere through bigotry and discrimination in sport fought a pandemic that ravaged the LGBTQ community and created a sporting community that became an international family
