

An aerial view of a city, likely New York City, under attack. Thick black smoke billows from several points in the city, and a large fire is visible on the right side. The city's skyline, including the Empire State Building, is visible in the background. The foreground shows a large, dark, and damaged area, possibly a park or a large building complex.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
