**Stephen J. Pyne**

## Worlds On Fire:

World Fire Stephen J. Pyne, 2014-07-01 Back in Print World Fire is the story of how fire and humans have coevolved The two are inseparable and together they have repeatedly remade the planet Pyne considers the evolution of fire in such diverse regions as Australia Africa Brazil Sweden Greece Iberia Russia and India and then ponders Antarctica the land without fire As he examines changing techniques for and attitudes toward fire control Pyne challenges our concepts of nature and wilderness and explains why the study and management of fire have tremendous environmental cultural and political implications Booklist A sweeping historical treatise that examines our world's love-hate relationship with conflagration His engrossing ideas leave bright embers in the memory Outside *The Origins of the World's Mythologies* E.J. Michael Witzel, 2012-12-13 This remarkable book is the most ambitious work on mythology since that of the renowned Mircea Eliade who all but single-handedly invented the modern study of myth and religion Focusing on the oldest available texts buttressed by data from archeology comparative linguistics and human population genetics Michael Witzel reconstructs a single original African source for our collective myths dating back some 100 000 years Identifying features shared by this Out of Africa mythology and its northern Eurasian offshoots Witzel suggests that these common myths recounted by the communities of the African Eve are the earliest evidence of ancient spirituality Moreover these common features Witzel shows survive today in all major religions Witzel's book is an intellectual hand grenade that will doubtless generate considerable excitement and consternation in the scholarly community Indeed everyone interested in mythology will want to grapple with Witzel's extraordinary hypothesis about the spirituality of our common ancestors and to understand what it tells us about our modern cultures and the way they are linked at the deepest level The World's Work, 1919 A history of our time *Lumber World Review*, 1916 **Insurance World**, 1911 *The World's Advance*, 1915 **Insurance World Pocket Fire Insurance Chart for 1887 ...**, 1887 *The World's Great Religious Poetry* Caroline Miles Hill, 1928 The World's Great Events Esther Singleton, 1913 **Illustrated World**, 1919 **The Artistic Guide to Chicago and the World's Columbian Exposition** Columbian Art Co, 1892 The Best of the World's Classics, Restricted to Prose Henry Cabot Lodge, Francis Whiting Halsey, 1909 **The New International Encyclopædia** Frank Moore Colby, Talcott Williams, 1917 The World's Best Music, 1899 **Library of the World's Best Literature, Ancient and Modern** Charles Dudley Warner, 1897

**World's War Events: Beginning with the attack at Verdun early in 1916 the story of the war and of American aid is carried to the close of 1917** Francis Joseph Reynolds, Allen Leon Churchill, 1919 Selections from the World's Devotional Classics Robert Scott, George William Gilmore, 1916 **The Sun: Ruler, Fire, Light, and Life of the Planetary System** Richard Anthony Proctor, 1872 **Illinois Technograph**, 1940 *World's Work*, 1915
