**Worldshaker** Richard Harland, 2010-05-18 Col Porpentine understands how society works The elite families enjoy a comfortable life on the Upper Decks of the great juggernaut Worldshaker and the Filthies toil Below Decks Col s grandfather the Supreme Commander of Worldshaker is grooming Col as his successor Used to keep Worldshaker moving Filthies are like animals unable to understand language or think for themselves Or so Col believes before he meets Riff a Filthy girl on the run who is clever and quick If Riff is telling the truth then everything Col has been told is a lie And Col has the power to do something about it even if it means risking his whole future

**Liberator** Richard Harland, 2012-04-17 Equality remains elusive in this stunning steampunk sequel to Worldshaker In the aftermath of the events of Worldshaker the Filthies control the massive juggernaut now called Liberator Many members of the former upper class called Swanks have remained behind to help teach them how to operate the juggernaut and to build a new society together But all is not idyllic aboard Liberator A saboteur seems determined to drive up anti Swank sentiment among the more volatile Filthy factions And the Swanks are finding that their best efforts to work with the Filthies are being tossed aside Even Col who thought his relationship with Riff was rock solid is starting to see their friendship crumbling before him As tensions run high and coal supplies run low

Liberator is on the verge of a crisis Can Col and Riff unify their divided people before disaster strikes **Steaming Into a Victorian Future** Julie Anne Taddeo, Cynthia J. Miller, 2013 This collection of essays explores the social and cultural aspects of steampunk examining the various manifestations of this multi faceted genre in order to better understand the steampunk sub culture and its effect on and interrelationship with popular culture and the wider society [Reading the World's Stories](#)
