*for Christian Worship* Edwin Zackrison,Melvin Campbell,2003-08 Need some revitalization of your worship service with more involvement on the part of the congregations Or do you need more focus on the sermon subjects This book may well be your answer The 53 responsive readings in the book differ from the traditional approach Here you may find the audience cast in various roles such as in drama where they will respond as a character in a story such as in readers theatre Good reading is easy to achieve as in choral reading and the audience gets to answer and suggest corporately as in traditional responsive readings The audience may play the fool the pharisee the publican God the believer or the skeptic At all times we worked at keeping the responses short so that the long monotony of untrained reading would be avoided and a minimum of rehearsal instruction would be needed to have maximum expression Both youth and adults have enjoyed these responsive readings We think your congregation will as well

of Prayers and Responsive Readings for Jewish Worship After a trial of over two years the English Ritual published by the undersigned in 1884 has been found inadequate to the wants of our congregation The majority of those who regularly attend divine service are accustomed to the Hebrew as the language of prayer while those for whom the English Ritual was intended do not take that interest in our public worship as to justify the substitution of the English for the Hebrew To return to the old Hebrew Prayer book with its un-English translation would land us where we started from a few years ago it will not remedy the evil To satisfy the demands of both the old and the young generation the undersigned has recast his former publication adding all the principal prayers in the Hebrew language contained in the older Prayer book yet making the English rendition on the opposite page an independent Ritual thus enabling the worshipper to follow the service intelligently whether using the Hebrew or the English part Some changes have been made in regard to the Psalms to be read at Sabbath eve and Sabbath morning service they have been placed before each service The Minister however may now and then select some other Psalm from the appended Collection which has been left unaltered from the previous edition About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
