Fans of Jill Shalvis and Molly O'Keefe will love this deeply romantic and uplifting debut novel about losing everything you thought you wanted and getting exactly what you need.

Sophie Richards has been looking forward to a much needed girls night out, a Rolling Stones tribute band concert, a few drinks, a distraction from her grueling nursing shifts in acute care. But when her best friend bails, Sophie gets stuck with a blind date.

Although Brett Nicholson may be the hottest carpenter alive, and Sophie may technically be single, she isn't exactly on the market. Six years ago she found The One. He was everything Sophie dreamed a man could be, and then she lost him. In an instant, her whole life changed, and she forgot all about happily ever after.

But as she gets to know Brett, Sophie starts to wonder about the future for the first time. With a broken heart still clouding her mind, jumping into a new relationship feels impossible. When she's in his arms, walking away feels even harder.

Now Sophie faces an impossible choice: living in the past or choosing love in the here and now.
