Perry, 2018-09-10 Have you ever heard the phrase can't live with them can't live without them Have you ever felt like that before when dealing with children Sometimes they are all over the place sometimes they don't listen sometimes they say and do things that get on our last nerve But at the same time we fully understand that these children are our hearts they are our joy they are the reason many of us continue to get up and live life So while they make us upset sometimes we also can't imagine life without them Not only can we not imagine life without them but those who have a heart for children are willing to go through great lengths do whatever it takes to help them become successful *A Gift Worth Fighting For* helps us adults develop strategies that will help our children be successful It is not so much about what they need to do as it is more about us examining our own lives to make sure we are doing our part to help them No one goes to war without carefully strategizing a plan to win This book will help you with that plan As adults we

have to be honest with ourselves and ask the tough question Is there more that I can do to help this child The answer is yes we can change ourselves and the motivation for this change is because our children are a gift from God and any gift that comes from Him is a gift worth fighting for *Signs Your Relationship is Worth Fighting For* Margaret Light,2025-03-06

It s crazy How did this start with fire Burning when I met you with desire It s crazy How did we get to this We both fell for something We didn t know exists The best hit songs were written after breakups This was my way to tell about my last heartbreak My relationship with Jake started as a stupid bet and ended in a bad romance So I decided to move on I had it all Finally I became a famous writer I had a new life and a relationship with two wonderful men Until Jake crossed my path once again and tempted me like the devil was sitting on my left shoulder He was someone I couldn t resist he was one of my seven savage sins Wrath Whatever begins in anger ends in shame Jake chose the sweetest words to get in to my heart and the most poisonous actions to break it Now he is sorry and wants me back Envy Jealousy is the tie that binds and binds and binds Jake never wanted me but he couldn t let me go either Gluttony The gluttons dig their own graves with their teeth Jake was hungry for attention not love Sloth What is right is often forgotten by what is convenient My feelings for him were clear Jake had never the heart to open and give love back Hubris We are rarely proud when we are alone Winning for him to boost his ego was always a thing for Jake and never will give you credit for anything Avarice To greed all nature is insufficient What I achieved Jake had to do it better bigger and grater It was never enough Lust Sex is the consolation when you can t have love Jake and I had a great sex appetite for each other but when it came down to it afterwards he dumped me like I was some kind of trash I wrote this book for him for Jake To let the world know what for a man he really was He was a devil disguised in a form of an angel I was a great writer and writers don t forget Everything you ve done it could be used against you

Saved from Mediocrity James M. Holder Sr.,2009-04 When I used to read in Romans seven where Paul writes about his struggle with sin I would very much identify with his words life for me was a struggle Sure I was a Christian but the joy contentment and abundance that was promised in the Bible was not a reality Financial hardship relational frustrations and confusion about what God expected of me were driving a wedge in my relationship with my Savior and it needed to change What must I do I thought to move from a Romans seven life to a Romans eight Spirit filled life free from the burdens that were weighing me down This book records the journey I made from that burden filled life into a Spirit filled life using the Biblical book of Joshua as a backdrop You too can find this freedom by taking one simple step of faith into the perfect will of God James M Holder I find it funny when I read the author bio on the back of books It s generally written by the author usually contains his or her name several letters behind that name and a description of how qualified they are to be writing a book For example Greg Gergenblat PHD MSG PPG is a successful doctor and activist with 38 years experience in difficult matters His family is wonderful and you are lucky that he wrote this book for you to read Me I m just a working man whose goal in writing is to help people learn from my mistakes so that they might avoid making the same mistakes I am happily married to Katherine and have an incredible son named James Jr I m probably not the guy who you think would write a book but I did Read it and I hope it will help you
