

Introduction

Use of English B2 for the FCE Examination and other exams is intended for B2 level students. It systematically teaches grammar and vocabulary and prepares students thoroughly for all exams.

The FCE Use of English Paper contains four parts and lasts 45 minutes. The task types and the number of questions in each part are presented in the following table.

PART	TASK TYPE	NUMBER OF QUESTIONS/MARKS
1	Multiple-choice cloze	12 (one mark per question)
2	Open cloze	12 (one mark per question)
3	Word formation	10 (one mark per question)
4	Key word transformation	8 (two marks per question)

This book is divided into 15 units, followed by a Final FCE Test and a Final ECCE Test.

The vocabulary and grammar taught has been distributed in 12 units (Units 1-4, 6-9 and 11-14), each of which is divided into two sections. In the first section, in units 1, 3, 6, 8, 11, 13 there is a selection of collocations and expressions, while in units 2, 4, 7, 9, 12, 14 there is a selection of prepositional phrases. Phrasal verbs, words with prepositions, grammatical structures and key word transformations are presented and practised in all 12 units. This section ends with two exercises which are similar in format to tasks in the FCE Use of English paper and ECCE Grammar and Vocabulary sections, but which test only the items taught in the corresponding unit.

In the second section, a number of groups of easily confused words and derivatives are presented and practised, followed by two exercises which test only the items taught in the corresponding unit.

Units 5, 10 and 15 are consolidation units which revise the material previously taught. Each of them is actually a complete Use of English Practice Test following the exact format of the FCE/ECCE examinations, but testing only the items taught in the four units preceding it.

The Final FCE Test and Final ECCE Test are modelled on the Cambridge Use of English Paper and on the Grammar and Vocabulary sections of the University of Michigan Examination for the ECCE.

The reference section at the end of the book includes an overview of English Grammar, vocabulary notes with definitions of easily confused words, exam tips and three appendices. These appendices alphabetically present prepositional phrases, words with prepositions and derivatives.

The Teacher's Book consists of two sections. The first section is the Student's Book with the answers overprinted. The second section includes notes for the teacher and three photocopyable Revision Tests with Key.
