**An Anthology of Interracial Literature** Werner Sollors,2004-02 This anthology explores the literary theme of black white encounters of love and family stories that cross or are crossed by what came to be considered racial boundaries

Relative Races Brigitte Fielder,2020-09-21 In Relative Races Brigitte Fielder presents an alternative theory of how race is ascribed Contrary to notions of genealogies by which race is transmitted from parents to children the examples Fielder discusses from nineteenth century literature history and popular culture show how race can follow other directions Desdemona becomes less than fully white when she is smudged with Othello's blackface a white woman becomes Native American when she is adopted by a Seneca family and a mixed race baby casts doubt on the whiteness of his mother Fielder shows that the genealogies of race are especially visible in the racialization of white women whose whiteness often depends on their ability to reproduce white family and white supremacy Using black feminist and queer theories Fielder presents readings of personal narratives novels plays stories poems and images to illustrate how interracial kinship follows non heteronormative non biological and non patrilineal models of inheritance in nineteenth century literary culture

Interracial Intimacies Randall Kennedy, 2012-09-12 With the same piercing intelligence as the bestselling Say it Loud Interracial Intimacies hits a nerve at the center of American society race relations and our most intimate ties to each other The best book written on the subject an exhaustive source of deep rich scholarship and surefooted brilliant analysis Seattle Times Analyzing the tremendous changes in the history of America's racial dynamics Randall Kennedy challenges us to examine how prejudices and biases still fuel fears and inform our sexual marital and family choices He takes us from the injustices of the slave era up to present day battles over race matching adoption policies which seek to pair children with adults of the same race He tackles such subjects as the presence of sex in racial politics the historic role of legal institutions in policing racial boundaries and the real and imagined pleasures that have attended interracial intimacy A bracing much needed look at the way we have lived in the past Interracial Intimacies is also a hopeful book offering a potent vision of our future as a multiracial democracy Joaquin Fuertes Collection 1-3:A Steamy Possessive, Celebrity Forbidden Interracial, Dark Italian Mafia Contemporary Romance Chiquita Dennie, 2022-03-30 Enjoy this steamy possessive dark italian mafia billionaire romance Joaquin Fuertes Book 1 Sofia is a world famous actress and singer on Broadway Being on the stage has been a lifelong dream Living in New York her life is a non stop roller coaster of parties magazine shoots and more Once her friendship with Sabrina Washington became public any and everything was put on notice Joaquin is a quiet deadly force He s known in the illegal business as Ghost Someone that shows up only when the client needs to disappear The second he bumps into Sofia after a meeting at the restaurant her beauty causes his heart to beat faster He reminds himself to not fall in love only continue working in the shadows to keep his clients businesses out of the spotlight Joaquin Fuertes Book 2 I never expected things would get this out of control My sins have come back to haunt me and affect everyone I love I

Intimacy in Japan Gary P. Leupp,2003-01-01 Gary Leupp describes and analyzes intimate relationships between Western men and Japanese women throughout the entire early modern period and into the first few decades of the modern period when Westerners came to reside in the Treaty Ports This subject has been largely overlooked by Western scholars until now

Dangerous Liaisons Anne McClintock, Aamir Mufti, Ella Shohat, 1997 The first collection to emphasize the complex interaction between gender and postcoloniality Most people in the world from Africa to Asia and beyond live in the aftermath of colonialism Their day to day lives are defined by their past history as colonized peoples often in ways that are subtle or hard to define In Dangerous Liaisons eminent contributors address the issues raised by the postcolonial condition considering nationhood history gender and identity from an inter disciplinary perspective Among the questions they address are What are the boundaries of race and ethnicity in a diasporic world How have women been so effectively excluded from national power What have been the historical aftermaths of different forms of colonialism What are the cultural and political consequences of colonial partitions of the nation state Representing an essential intervention Dangerous Liaisons is a crucial guidebook for those concerned with understanding postcoloniality at the moment when it is becoming more and more widely Still I Rise Marlene Wagman-Geller, 2017-07-25 An incredible book about the strength of women an important discussed book and a read that is nothing if not timely with current politics FangirlNation A 1 Bestseller in 21st Century U S History for Teens Still I Rise takes its title from a work by Maya Angelou and it resonates with the same spirit of an unconquerable soul a woman who is captain of her fate It embodies the strength of character of the inspiring women profiled Each chapter will outline the fall and rise of great women heroes who smashed all obstacles rather than let all obstacles smash them The book offers hope to those undergoing their own Sisyphean struggles Intrepid women heroes are the antithesis of the traditional damsels in distress rather than waiting for the prince they took salvation into their own hands Celebrate girl power Women leaders in history celebrated in this book include Madame C J Walker first female American millionaireAung San Suu Kyi Burma s first lady of freedomBetty Shabazz civil rights activistNellie Sachs Holocaust survivor and Nobel Prize

Southern Hyperboles Michał Choiński, 2020-05-06 In Southern Hyperboles Metafigurative Strategies of Narration Micha Choi ski confronts the often paradoxical and excessive elements of southern literature focusing on dominant narrative modes and representation strategies in works produced from the early 1930s to the late 1950s With renewed attention to renderings of the gothic and grotesque Choi ski argues that modernist literature from the U S South often deploys the trope of hyperbole which escalates contrasts and disrupts the sense of the normal By focusing on how writers processed the South via narratives of hyperbolic excess Southern Hyperboles explores a mode of comprehension forged from the tensions of a segregated patriarchal society driven by racial and social decorum Moving chronologically Choi ski traces distinct manifestations of hyperbolic metalogic in the works of seven authors Katherine Anne Porter William Faulkner Lillian Smith Katherine Du Pre Lumpkin Tennessee Williams Flannery O Connor and Harper Lee The mode of hyperbole identified by Choi ski relies on a clash of opposites along with the rapid intensification of disharmonious ideas pushed to extremes leading to an ultimate break in established decorum The shock produced by hyperbole generates a momentary state of confusion that soon dissipates allowing recipients to reach a new understanding of their surrounding world Melding an innovative use of rhetorical theory with fine grained analysis of literary texts Southern Hyperboles elucidates contradictory and interlocking issues related to memory social trauma grotesquerie and troubled mythologies that permeate the U S South The Thorny Path Jamie Stoops, 2018-07-30 Between 1900 and 1945 Britain and its empire experienced significant technological and social changes that altered its media and entertainment landscape One aspect of British culture that underwent these changes was pornography While illegal and socially reviled the pornography trade adapted and flourished during this period In The Thorny Path Jamie Stoops situates changes within the pornography trade in the context of an increasingly transnational world Those who traded in pornography circled the globe journeying from Britain to its colonies from colonial holdings to

continental Europe from Europe to North America In the process pornographers and their customers developed new vocabularies and norms with which to negotiate their trade Based on extensive archival research this book grounds questions of transnationalism and heteronormativity in the day to day lives of low level pornographers and consumers Stoops s focus on street level interactions within the trade is balanced with an analysis of state policies legal regulations and debates about obscenity illustrating the interplay between enforcers of mainstream moral standards and those who represented deviant sexual practices Raising questions of queerness and sexual normativity The Thorny Path links these issues to contemporary conversations about pornography obscenity and sexuality It offers timely historical context for current and vibrant debates surrounding marginalized sexualities gender roles and pornography in a time of rapid technological and social change

Debating Women Carly S. Woods,2018-10-01 Spanning a historical period that begins with women s exclusion from university debates and continues through their participation in coeducational intercollegiate competitions Debating Women highlights the crucial role that debating organizations played as women sought to access the fruits of higher education in the United States and United Kingdom Despite various obstacles women transformed forests parlors dining rooms ocean liners classrooms auditoriums and prisons into vibrant spaces for ritual argument There they not only learned to speak eloquently and argue persuasively but also used debate to establish a legacy explore difference engage in intercultural encounter and

articulate themselves as citizens These debaters engaged with the issues of the day often performing questioning and occasionally refining norms of gender race class and nation In tracing their involvement in an activity at the heart of civic culture Woods demonstrates that debating women have much to teach us about the ongoing potential for debate to move arguments ideas and people to new spaces \*\*Representing Mixed Race in Jamaica and England from the Abolition Era to the Present\*\*S. Salih,2010-09-30 This study considers cultural representations of brown people in Jamaica and England alongside the determinations of race by statute from the Abolition era onwards Through close readings of contemporary fictions and histories Salih probes the extent to which colonial ideologies may have been underpinned by what might be called subject constituting statutes along with the potential for force and violence which necessarily undergird the law The author explores the role legal and non legal discourse plays in disciplining the brown body in pre and post Abolition colonial contexts as well as how are other bodies and identities e g black white are discursively disciplined Salih examines whether or not it s possible to say that non legal texts such as prose fictions are engaged in this kind of discursive disciplining and more broadly looks at what contemporary formulations of mixed identity owe to these legal or non legal discursive formations This study demonstrates the striking connections between historical and contemporary discourses of race and brownness and argues for a shift in the ways we think about represent and discuss mixed race people
