Crump, 2021-02-22 At Eastertime the most important holiday in the Christian world religious processions in many Latin American countries pass over ornate street carpets fashioned from colored sawdust flowers and fruit Children in Finland and Sweden dress as Easter witches In the Caribbean those who swim on Good Friday risk bad luck In the Philippines some penitents volunteer to be crucified In some European countries Easter Monday is the day for dousing women with water With 240 entries this book explores these and scores of other unusual and sometimes bizarre international Holy Week customs both sacred and secular from pilgrimages to Jerusalem to classic seasonal films and television specials The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today s world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults So much demands our attention and distracts us from God Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children Using the church calendar as a guide she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today Conversations with God Rodney Charles Tuomi, 2022-10-24 This book is the third book that I have written The first two were books of poetry but this one is a sampling of articles that I have written for newspapers or magazines from the spring of 2010 when I started to electronically save and collect them until the summer of 2021 The book Conversations with God is a compilation of years of life It reflects many thoughts about God about nature and about the wisdom I have gained in so many years of studying ministering and loving people I enjoy using humor though sometimes it may be a little subtle The topics are many and often One article is vastly different from the previous one or the following one I do usually stick to one theme in each individual article Each article is meant to picture an almighty loving God in the light of nature and life experiences My first book of poetry Reflections was a short simple book and my second book of poetry Beside the Still Waters was a longer more detailed collection of poems and scriptures This book is a

little longer and more complex My prayer and hope for you is that you enjoy my writing and let it minister to you and speak deeply into your life
