## **Return To The Chateau:**

**Return to the Chateau** Pauline Reage,1995-05-02 Pauline Reage's *Story of O* continues as a woman returns to the place of her most intimate initiation. She gave up everything to surrender to the forces of sensual love. Beautiful O is a Parisian photographer who makes a bold choice to follow her most forbidden desires. Her story takes her to the deepest most dangerous places of domination where the pleasures of the flesh meet the needs of the heart. O's journey sweeps her from the compelling embrace of Ren where she gained understanding of true physical surrender to the mysterious Sir Stephen and his chateau where women learn to master the sensual arts. In this private club O is challenged to release everything but her desire to be a willing vessel of pleasure and forced to confront who she is and what she truly wants. As jealousy, sadistic games and uncertainty make her question the lines she has crossed for love, she can only wonder: How far and how deep will she go? And where will it stop?

**Chateau of Secrets** Melanie Dobson,2014-05-13 A courageous young noblewoman risks her life to hide French resistance fighters seventy years later her granddaughter visits the family's abandoned chateau and uncovers shocking secrets from the past. Gisèle Duchant guards a secret that could cost her life. Tunnels snake through the hill under her family's medieval chateau in Normandy. Now with Hitler's army bearing down her brother and several friends are hiding in the tunnels resisting the German occupation of France. But when German soldiers take over the family's chateau Gisèle is forced to host them as well while harboring the resistance fighters right below their feet. Taking in a Jewish friend's baby she convinces the Nazis that it is her child ultimately risking everything for the future of the child. When the German officers begin to suspect her deception an unlikely hero rescues both her and the child. A present day story weaves through the past one as Chloe Sauver, Gisèle's granddaughter arrives in Normandy. After calling off her engagement with a political candidate Chloe pays a visit to the chateau to escape publicity and work with a documentary filmmaker Riley who has uncovered a fascinating story about Jews serving in Hitler's army. Riley wants to research Chloe's family history and the lives that were saved in the tunnels under their house in Normandy. Chloe is floored her family isn't Jewish for one thing and she doesn't know anything about tunnels or the history of the house. But as she begins to explore the dark and winding passageways beneath the chateau nothing can prepare her for the shock of what she and Riley discover. With emotion and intrigue Melanie Dobson brings World War II France to life in this beautiful novel about war, family sacrifice and the secrets of the past.
