

IT BEGINS WHERE "PEYTON PLACE" LEFT OFF...

It looks into the face of the town... down its streets where shame became famous...into the lives of its people, so securely shrouded in bigotry and false morality.

It takes you back to "Peyton Place"...the town afraid to let the outside world look in.

It lets you discover what happened the day Allison returned — to defend herself against the truth "Peyton Place" called indecent... the way of life it called promiscuous.

Andrea Shaw, 1996-04-09 This revolutionary reference offers viewers a variety of ways to hone in on the right choice for an evening's entertainment Going beyond the broad categories Action Comedy Drama etc found in most guides this book features small groups of films arranged according to specific categories as historical swashbucklers screwball comedies and Busby Berkeley musicals Shaw eschews the standard star rating system to focus on more telling criteria *Necessary American Fictions* William Darby, 1987 William Darby gives us a comprehensive and mostly sympathetic reading of over fifty novels and a few movies from the 1950s He examines titles such as *Mandingo* *The Invisible Man* *I the Jury* *Catcher in the Rye* *Battle Cry* *The Caine Mutiny* *The Revolt of Mamie Stover* *The Manchurian Candidate* *Hawaii* *The Bramble Bush* *Peyton Place* *Ten North Frederick* *A Stone for Danny Fisher* *The Bad Seed* *Not as a Stranger* *The Blackboard Jungle* *From Here to Eternity* and *Compulsion* **José Ferrer** Mike Peros, 2020-08-19 Jos Ferrer 1912-1992 became the first Puerto Rican actor to win the Best Actor Academy Award for the 1950 film version of *Cyrano de Bergerac* His iconic portrayal of the lovelorn poet swordsman had already won him the Tony in 1947 and he would be identified with *Cyrano* for the rest of his life Ferrer was a theatrical dynamo with limitless energy in 1952 he directed *Stalag 17* *The Fourposter* and *The Shrike* which he starred in on Broadway while New York City movie marquees were heralding his appearance in *Anything Can Happen* At his apex in the 1950s Ferrer was in constant demand both in theater and movies He capitalized on his Oscar with such triumphs as *Moulin Rouge* and *The Caine Mutiny* Not content with merely acting Ferrer soon became a force behind the camera acting and directing such critically well received films as *The Shrike* and *The Great Man* Success proved difficult to sustain In the late 1950s such ambitious theatrical productions as *Edwin Booth* and *Juno* were critical and commercial flops while film studios also lost their patience with him By the mid 1960s Ferrer took whatever roles he could get in films television or regional theater In addition Ferrer had a turbulent personal life His first marriage to actress Uta Hagen ended in divorce and scandal His personal and professional relationship with his Othello costar Paul Robeson landed Ferrer before the House Un American Activities Committee Ferrer's marriage to actress dancer Phyllis Hill was marred by his infidelity while his initial wedded bliss with singer Rosemary Clooney eroded as his career began to ebb while hers started to peak In spite of everything Ferrer managed to endure and was working practically right up to his death Ferrer maintained his pride in his Puerto Rican heritage donating his Oscar to the University of Puerto Rico while championing the work of Latino poets and playwrights He continuously evolved striving to remain relevant stretching his talents including cabaret operas musicals and yes ballet and

writing the occasional guest column for major newspapers Ferrer s life is an American success story and a testament to reinvention and resilience

Ferocious Ambition Robert Dance,2023-10-12 Robert Dance s new evaluation of Joan Crawford looks at her entire career and while not ignoring her early years and tempestuous personal life focuses squarely on her achievements as an actress and as a woman who mastered the studio system with a rare combination of grit determination beauty and talent Crawford s remarkable forty five year motion picture career is one of the industry s longest Signing her first contract in 1925 she was crowned an MGM star four years later and by the mid 1930s was the most popular actress in America In the early 1940s Crawford s risky decision to move to Warner Bros was rewarded with an Oscar for Mildred Pierce This triumph launched a series of film noir classics In her fourth decade she teamed with rival Bette Davis in *Whatever Happened to Baby Jane* proving that Crawford whose career had begun by defining big screen glamour had matured into a superb dramatic actress Her last film was released in 1970 and two years later she made a final television appearance forty seven years after walking through the MGM gate for the first time Crawford made a successful transition into business during her later years notably in her long association with Pepsi Cola as a board member and the brand s leading ambassador Overlooked in previous biographies has been Crawford s fierce resolve in creating and then maintaining her star persona She let neither her age nor the passing of time block her unrivaled ambition and she continually reimagined herself noting once that for the right part she would play Wally Beery s grandmother But she was always the consummate star and at the time of her death in 1977 she was a motion picture legend and a twentieth century icon

American Small-Town Fiction, 1940-1960 Nathanael T. Booth,2019-01-10 In literature and popular culture small town America is often idealized as distilling the national spirit Does the myth of the small town conceal deep seated reactionary tendencies or does it contain the basis of a national re imagining During the period between 1940 and 1960 America underwent a great shift in self mythologizing that can be charted through representations of small towns Authors like Henry Bellamann and Grace Metalious continued the tradition of Sherwood Anderson in showing the small town by extension America itself profoundly warping the souls of its citizens Meanwhile Ray Bradbury Toshio Mori and Ross Lockridge Jr sought to identify the small town s potential for growth away from the shadows cast by World War II toward a more inclusive democratic future Examined together these works are key to understanding how mid 20th century America refashioned itself in light of a new postwar order and how the literary small town both obscures and reveals contradictions at the heart of the American experience
