Miller ,2012-12-01 **Armageddon's Glorious End** David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve **The Gospel of Climate Skepticism** Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015

leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change. The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change.

The Christian Philosophy of St. Thomas Aquinas Etienne Gilson, 1994-03-31 In this final edition of his classic study of St. Thomas Aquinas, Etienne Gilson presents the sweeping range and organic unity of Thomistic philosophical thought. The philosophical thinking of Aquinas is the result of reason being challenged to relate to many theological conceptions of the Christian tradition. Gilson carefully reviews how Aquinas grapples with the relation itself of faith and reason and continuing through the existence and nature of God and His creation, the world and its creatures, especially human beings with their power of intellect, will, and moral life. He concludes this study by discussing the life of people in society along with their purpose and final destiny. Gilson demonstrates that Aquinas drew from a wide spectrum of sources in the development of his thought, from the speculations of the ancient Greeks such as Aristotle to the Arabic and Jewish philosophers of his time, as well as from Christian writers and scripture. *The Christian Philosophy of St. Thomas Aquinas* offers students of philosophy and medieval studies an insightful introduction to the thought of Aquinas and the Scholastic philosophy of the Middle Ages.

Carefully Edited and the Errors of Former Editions Expunged William ROMAINE,1837 **The Great Tribulation!** Richard L. Guthrie,2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if theres a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice *The Rapture: from the Ground Up* Richard L. Guthrie,2014-04-11 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2 3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of Gods

Word **The Great American Curse** Mickey D Glover, 2013-12-07 The book of Revelation clearly tells us that someday there would be an end to this world many have tried to determine this mystery date in our future to no avail But the mystery that the date seekers and many others failed to notice is this WHY Why is so much more important than when There is no question about it this world will definitely come to an end But why is it going to end In an ancient generation of mankind God gave man his law It is called the TEN COMMANDMENTS In today s society these laws are broken every day without much notice To our own ignorance there is always a price to pay when we disobey But life goes on These laws were put into place to protect us from ourselves But there is one sin that brought our world to an end that fell through the cracks virtually unnoticed This great sin has now spread throughout the entire earth Christians and unbelievers are all involved in this sin that has now grown so large that it is actually bringing in the curse of God for the judgment of this sin that will ultimately end our world as we know it Fulfilling the prophecies of the book of Revelation In this day and time knowledge has been much increased So the sin that caused our world to end would have to be put in place in such a way as to be greatly unnoticed Such as an illusionist or magician In this book that you are about to read you will learn the greatest deception ever pulled off in the world s history and at a cost so great that it will cause the end of our world as we know it The time for this judgment has already began as early as 2007 the count down clock for the end of the world events began to tick off The Holy bible was given to mankind directly from God to tell us how life began and why our world ended
