Revenant-X David Wellington, 2024-11-05 *Revenant X* is the terrifying second novel in a new trilogy of survival and exploration in deep space from Arthur C Clarke Award nominated author David Wellington *FEAR THE DARK* The crew of the *Artemis* led by Firewatch agent Alexandra Petrova have survived the furious onslaught of the Basilisk and broken through the space blockade around *Paradise 1* Now they can pursue their original mission and investigate why Earth's first deep space colony has fallen silent The answer seems obvious the site is deserted Or so they think Some of the colonists remain but they're no longer human Petrova and her crew now face a desperate struggle to survive as they attempt to uncover the mystery of what has befallen the colony If they fail the darkness that has fallen over *Paradise 1* will consume them *Revenant*

Ecologies Audra Mitchell, 2024-01-16 Engaging a broad spectrum of ecological thought to articulate the ethical scale of global extinction As global rates of plant and animal extinctions mount anxieties about the future of the earth's ecosystems are fueling ever more ambitious efforts at conservation which draw on Western scientific principles to manage species and biodiversity In *Revenant Ecologies* Audra Mitchell argues that these responses not only ignore but also magnify powerful forms of structural violence like colonialism racism genocide extractivism ableism and heteronormativity ultimately contributing to the destruction of unique life forms and ecosystems Critiquing the Western discourse of global extinction and biodiversity through the lens of diverse Indigenous philosophies and other marginalized knowledge systems *Revenant Ecologies* promotes new ways of articulating the ethical enormity of global extinction Mitchell offers an ambitious framework bio plurality that focuses on nurturing unique irreplaceable worlds relations and ecosystems aiming to transform global ecological political relations including through processes of land return and critically confronting discourses on human extinction Highlighting the deep violence that underpins ideas of extinction conservation and biodiversity *Revenant Ecologies* fuses political ecology global ethics and violence studies to offer concrete practical alternatives It also foregrounds the ways that multi life form worlds are actively defying the forms of violence that drive extinction and that shape global efforts to manage it Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions **The Revenant Express** George Mann, 2019-02-12 The grand adventure continues in George Mann's Newbury Hobbes steampunk mystery series as a Victorian special agent races across a continent to save his beloved's life on board *The Revenant Express* Sir Maurice Newbury is bereft as his trusty assistant Veronica Hobbes lies dying with a wounded heart Newbury and Veronica's sister Amelia must take a sleeper train across Europe to St Petersburg to claim a clockwork heart that Newbury has commissioned from Faberge to save Veronica from a life trapped in limbo No sooner do they take off then sinister goings on start to plague the train and it is discovered that an old villain thought dead is also on board and seeking revenge Can Newbury and Amelia defeat him and get the clockwork organ back to the Fixer in time to save Veronica And can they do so without Newbury going so far into the dark side of occult magic that he can never return

Meanwhile Sir Charles Bainbridge is the only one of their team left in London to struggle with a case involving a series of horrific crimes Someone is kidnapping prominent men and infecting them with the Revenant plague leaving them chained in various locations around the city But why It s a rousing chase to save both London and Veronica Will these brave detectives be up to the task Newbury Hobbes Investigations 1 The Affinity Bridge 2 The Osirus Ritual 3 The Immortality Engine 4 The Executioner s Heart 5 The Revenant Express At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Towards a Typology of Poetic Forms Jean-Louis Aroui, Andy Arleo, 2009-09-30 Metrics is often defined as a discipline that concerns itself with the study of meters In this volume the term is used in a broader sense that more or less coincides with the traditional notion of versification Understood this way metrics is an eminently complex object that displays variation over time and in space that concerns forms of a great variety and with different statuses meters rhymes stanzas prescribed forms syllabification rules nursery rhymes slogans musical textsetting ablaut reduplication etc and that as a cultural manifestation is performed in a variety of ways sung chanted spoken read that can have direct consequences on how it is structured This profusion of forms is thought to correspond at the level of perception to a limited number of cognitive mechanisms that allow us to perceive and to represent regularly iterating forms This volume proposes a relatively coherent overall vision by distinguishing four main families of metrical forms each clearly independent of the others and amenable to separate typologies

Music Inside Out John Rahn, Benjamin Boretz, 2014-03-18 John Rahn s prolific activities as a composer theorist teacher inventor of computer sound synthesis software editor of *Perspectives of New Music* during the 1980s and 90s and author of an exemplary text on atonal theory are conspicuously in the foreground of the academic music intellectual world This collection of essays charts Rahn s progression from the construal of music s data structures to the articulation of its experiential structures leading to the question of its moral infrastructures and its value systems of the internal and external worlds This book shows Rahn s remarkable intellectual evolution culminating in the recognition that the pressure bearing on discourse can only be contained by thought formulated in the non referential language of the arts themselves Also includes 18 musical examples

They Suck, They Bite, They Eat, They Kill Joni Richards Bodart, 2012 Teen readers have always been fascinated by monsters but lately it seems like every other young adult YA book is about vampires zombies or werewolves These works are controversial since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers But this is also why they are so important They provide a literal example of how ignoring life s hazards won t make them go away and demonstrate that ignorance of danger puts one at greater risk In *They Suck They Bite They Eat They Kill* The Psychological Meaning of Supernatural Monsters in Young Adult Fiction Joni Bodart examines six different monsters vampires shapeshifters zombies

unicorns angels and demons in YA literature Bodart first discusses the meaning of these monsters in cultures all over the world Subsequent chapters explore their history and most important incarnations comparing the same kind of creatures featured in different titles This volume also contains interviews with authors who provide additional insight and information and the bibliography includes a comprehensive list of titles featuring the various monsters Analyzing the most important and well written series and titles for teens They Suck They Bite They Eat They Kill will be useful for parents teachers and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be
