Events Management Razaq Raj, Paul Walters, Tahir Rashid, 2013-02-28. Electronic Inspection Copy available to instructors here. Praise for the previous edition: This is an excellent publication that correctly reviews the external environment associated with events both in the context of the theoretical and operational. Neil Robinson, Salford Business School, University of Salford, UK. The new edition of this popular accessible text gives students a thorough and contemporary grounding in both the fundamentals and strategic responsibilities of successful event management. Purposefully broad in scope, the text combines theory with practical knowledge and terminology ensuring readers develop a flexible and commercially acute skill set. Topics covered range from law, marketing and finance to introductory guides to sound, lighting and multimedia equipment, providing students with the practical knowledge they need for a career in Events Management. Theory is brought to life in a range of case studies and examples throughout the text. As well as updated examples and legislation, this edition introduces new chapters on Event entrepreneurship, Project management and financing, New Multimedia technology for events organisers, Sustainable festivals and events, Long term legacy and impacts, The future of the industry. An accompanying Companion Website provides students with discussion questions and video links. The website also provides an Instructor's Manual and PowerPoint slides for lecturers. This text is an ideal resource for undergraduate students who are studying Events Management for the first time. Visit the Companion Website at www.sagepub.co.uk/raj.

Media Management and Live Experience Alex Connock, 2024-04-03. Global and authoritative: this textbook maps modern live experience media, the categories that thrive on real-time engagement and human connection, even in the age of synthetic content. AI and the Metaverse. Sports and sports betting, festivals, comedy, concerts, tours, and theme parks are covered, plus theatre, trade events, conventions, museums, and galleries, and immersive media. Live media events included are Burning Man, Glastonbury, the Indian Premier League, the English Premier League, Olympics, NBA, and Bundesliga, plus sell-out Taylor Swift tours, the World Cup, Super Bowl, Ryder Cup, and Formula One. Business models in this media category start with ticketing and advertising, now amplified with e-commerce, affiliate marketing, subscription, and gambling transactions. Deep dives ask: Why is Saudi Arabia investing billions into golf and football? Why is standup comedy big in Nigeria? How are Broadway and the West End evolving? What do immersive technologies like Abba Voyage and the MSG Sphere offer for the future? With class questions, a quiz, summaries, and slides for each chapter, this is a guide and course structure for anyone at university level or in industry studying the media, music, entertainment, events, exhibitions, sports, social media, or gambling industries.
