

## Honors World History Midterm Exam Review Sheet 2015 – 2016

**Instructions:** The following review sheet will provide you basic concepts that you should know for your midterm examination scheduled for the end of January. You can find the more specific information (including key vocabulary words and significant people associated with various cultures) concerning these concepts in your notes and/or at the end of each chapter in your textbook. Due to the general nature of these concepts, all of the ideas on this review sheet may not be in order in the book.

*Catalogue of Oberlin College for the Year ...* Oberlin College, 1919 **Sacred Kingship in World History** A. Azfar Moin, Alan Strathern, 2022-05-10 Sacred kingship has been the core political form in small scale societies and in vast empires for much of world history This collaborative and interdisciplinary book recasts the relationship between religion and politics by exploring this institution in long term and global comparative perspective Editors A Azfar Moin and Alan Strathern present a theoretical framework for understanding sacred kingship which leading scholars reflect on and respond to in a series of essays They distinguish between two separate but complementary religious tendencies immanentism and transcendentalism which mold kings into divinized or righteous rulers respectively Whereas immanence demands priestly and cosmic rites from kings to sustain the flourishing of life transcendence turns the focus to salvation and subordinates rulers to higher ethical objectives Secular modernity does not end the struggle between immanence and transcendence flourishing and righteousness but only displaces it from kings onto nations and individuals After an essay by Marshall Sahlins that ranges from the Pacific to the Arctic the book contains chapters on religion and kingship in settings as far flung as ancient Egypt classical Greece medieval Islam Mughal India modern European drama and ISIS Sacred Kingship in World History sheds new light on how religion has constructed rulership with implications spanning global history religious studies political theory and anthropology
