**Re-envisioning the Contemporary Art Canon** Ruth Iskin,2016-12-08 Re envisioning the Contemporary Art Canon Perspectives in a Global World seeks to dissect and interrogate the nature of the present day art field which has experienced dramatic shifts in the past 50 years In discussions of the canon of art history the notion of inclusiveness both at the level of rhetoric and as a desired practice is on the rise and gradually replacing talk of exclusion which dominated critiques of the canon up until two decades ago The art field has dramatically if insufficiently changed in the half century since the first protests and critiques of the exclusion of others from the art canon With increased globalization and shifting geopolitics the art field is expanding beyond its Euro American focus as is particularly evident in the large scale international biennales now held all over the globe Are canons and counter canons still relevant Can they be re envisioned rather than merely revised Following an introduction that discusses these issues thirteen newly commissioned essays present case studies of consecration in the contemporary art field and three commissioned discussions present diverse positions on issues of the canon and consecration processes today This volume will be of interest to instructors and students of contemporary art art

history and museum and curatorial studies      The British National Bibliography Arthur James Wells,2006      Mountain Dialogues from Antiquity to Modernity Dawn Hollis,Jason König,2021-05-06 Throughout the longue dure of Western culture how have people represented mountains as landscapes of the imagination and as places of real experience In what ways has human understanding of mountains changed or stayed the same Mountain Dialogues from Antiquity to Modernity opens up a new conversation between ancient and modern engagements with mountains It highlights the ongoing relevance of ancient understandings of mountain environments to the postclassical and present day world while also suggesting ways in which modern approaches to landscape can generate new questions about premodern responses It brings together experts from across many different disciplines and periods offering case studies on topics ranging from classical Greek drama to Renaissance art and from early modern natural philosophy to nineteenth century travel writing Throughout essays engage with key themes of temporality knowledge identity and experience in the mountain landscape As a whole the volume suggests that modern responses to mountains participate in rhetorical and experiential patterns that stretch right back to the ancient Mediterranean It also makes the case for collaborative cross period research as a route both for understanding human relations with the natural world in the past and informing them in the present      *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004      **Subject Guide to Books in Print** ,1983      Justice and Doubt Ilmar Tammelo,2013-12-01      **To Be Like Gods** Matthew G. Looper,2010-01-01 Winner Association for Latin American Art Book Award 2010 The Maya of Mexico and Central America have performed ritual dances for more than two millennia Dance is still an essential component of religious experience today serving as a medium for communication with the supernatural During the Late Classic period AD 600 900 dance assumed additional importance in Maya royal courts through an association with feasting and gift exchange These performances allowed rulers to forge political alliances and demonstrate their control of trade in luxury goods The aesthetic values embodied in these performances were closely tied to Maya social structure expressing notions of gender rank and status Dance was thus not simply entertainment but was fundamental to ancient Maya notions of social religious and political identity Using an innovative interdisciplinary approach Matthew Looper examines several types of data relevant to ancient Maya dance including hieroglyphic texts pictorial images in diverse media and architecture A series of case studies illustrates the application of various analytical methodologies and offers interpretations of the form meaning and social significance of dance performance Although the nuances of movement in Maya dances are impossible to recover Looper demonstrates that a wealth of other data survives which allows a detailed consideration of many aspects of performance To Be Like Gods thus provides the first comprehensive interpretation of the role of dance in ancient Maya society and also serves as a model for comparative research in the archaeology of performance      **Current Catalog** National Library of Medicine (U.S.),1972 First multi year cumulation covers six years 1965 70      Publishers' circular and booksellers' record ,1877
