**Slow Journalism** Megan Le Masurier,2020-04-02 Slow Journalism has emerged in recent years to enact a critique of the limitations and dangers of the speed of much mainstream contemporary journalistic practice There have been types of journalism produced and consumed slowly for centuries of course What is new is the context of hyper acceleration and over production of journalism where quality has suffered ethics are compromised and user attention has eroded Many have been asking if there is another way to practice journalism The emergence of Slow Journalism suggests that there is Many international scholars and practitioners have been thinking critically about the problems wrought by speed and are utilising the concept of slow to describe a new way of thinking about and producing journalism This edited collection offers theoretical perspectives and case studies on the practice of slow journalism around the globe Slow Journalism is a new practice for new times This book was originally published as two special issues of Journalism Practice and Digital Journalism

**Photography and Doubt** Sabine T. Kriebel,Andrés Zervigón,2016-11-25 Recent decades have seen photography's privileged relationship to the real come under question Spurred by the postmodern critique of photography in the 1980s and the rise of digital technologies soon thereafter scholars have been asking who and what built this understanding of the medium in the first place Photography and Doubt reflects on this interest in photography's referential power by discussing it in rigorously historical terms How was the understanding of photographic realism cultivated in the first place What do cases of staged and manipulated photography reveal about that realism's hold on audiences across the medium's history Have doubts about photography's testimonial power stimulated as much knowledge as its realism Edited by Sabine T Kriebel and Andr s Mario Zervig n Photography and Doubt is the first multi authored collection specifically designed to explore these questions Its 13 original essays illustrated with 73 color images explore cases when the link between the photographic image and its referent was placed under stress and when photography was as attuned to its myth making capabilities as to its claims to authenticity Photography and Doubt will serve as a valuable resource for students and scholars in art history visual and media studies philosophy and the history of science and technology

**Britannica Book of the Year 2014** Encyclopaedia Britannica, Inc.,2014-03-01 The Britannica Book of the Year 2014 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world It is an accurate and comprehensive reference that you will reach for again and again

**The People of the Book and the Camera** Ofra Amihay,2022-06-30 Amihay offers a pioneering study of the unique nexus between literature and photography in the works of Hebrew authors Exploring the use of photography both as a textual element and through the inclusion of actual images Amihay shows how the presence of visual elements in a textual work of fiction has a powerful subversive function Contemporary Hebrew authors have turned to photography as a tool to disrupt narratives and give voice to marginalized sectors in Israel including women immigrants

Mizrahi Israelis LGBTQ individuals second generation Holocaust survivors and traumatized army veterans Amihay discusses standard novels alongside graphic novels challenging the dominance of the written word in literature In addition to providing a poetic analysis of imagetext pages Amihay addresses the social and political issues authors are responding to including gender roles Zionism the ethnic divide in Israel and its Palestinian minority In exploring these avant garde novels and their authors Amihay elevates their significance and calls for a more expansive definition of canonical Hebrew literature

**Documenting Violence in Calderón's Mexico** Jessica Wax-Edwards, 2023 An analysis of how artists filmmakers and affected citizens in Mexico attempted to navigate articulate and contend with the unparalleled escalation in brutality during the presidency of Felipe Calderón 2006 2012 In Mexico during the presidency of Felipe Calderón 2006 2012 and as a direct result of his war on drugs at least 60 000 people were killed tens of thousands were disappeared and countless more were subjected to kidnapping and sexual violence This book analyses how artists and filmmakers alongside affected citizens attempted to navigate articulate and contend with this unparalleled escalation in brutality The texts studied here provide a critical visual archive of this first phase in the drug war and show how artists including Pedro Pardo Fernando Brito Mónica González and Natalia Almada attempted to challenge official narratives foster emerging nodes of resistance and seek justice for citizens Bringing together works of photography photojournalism documentary and short fiction cinema the book argues for the vital role of cultural production in documenting institutional corruption human rights abuses and narco related violence in Mexican society and providing a space to grieve and remember the victims As Mexico's socio political landscape continues to deteriorate the book shows how its visual cultural legacy provides a means of understanding and responding to the violence

*The Violence of the Image* Liam Kennedy, Caitlin Patrick, 2020-09-13 Photography has visualized international relations and conflicts from the midnineteenth century onwards and continues to be an important medium in framing the worlds of distant suffering others Although photojournalism has been challenged in recent decades claims that it is dead are premature *The Violence of the Image* examines the roles of image producers and the functions of photographic imagery in the documentation of wars violent conflicts and human rights issues tackling controversial ideas such as witnessing the making of appeals based on displays of human suffering and the much cited concept of compassion fatigue In the twenty first century the advent of digital photography camera phones and socialmedia platforms has altered the relationship between photographers the medium and the audience as well as contributing to an ongoing blurring of the boundaries between news and entertainment and professional and amateur journalism *The Violence of the Image* explores how new vernacular and artistic modes of photographic production articulate international friction This innovative timely book makes a major contribution to discussions about the power of the image in conflict

Planting Hope Philip Hoelzel, 2024-03-05 Sebastião adored exploring the paradise of his parents farm in the Mata Atlântica forest of Brazil From atop a hill he would look at the world from a new perspective and dream of what might lie beyond his view Then when he

went away to school Sebastião met Lia who showed him how to use a camera for the very first time When Sebastião looked through the camera he realized he could use photography to organize how the world fit together Because of his talent for seeing what others could not Sebastião traveled the world and took pictures for all kinds of news stories But after witnessing too many painful images of environmental destruction and violence he put away his camera and returned with Lia to his childhood home But when they arrived at the farm the land was in ruins So Lia suggested they rebuild the rain forest and make their efforts an example to others Through art and activism Sebastião and Lia would show that everyone was connected to a large ecosystem and responsible for its care and that all may not be lost if we take action **Transition 115**

IU Press Journals, 2015-02-20 Published three times per year by Indiana University Press for the Hutchins Center at Harvard University Transition is a unique forum for the freshest most compelling ideas from and about the black world Since its founding in Uganda in 1961 the magazine has kept pace of the rapid transformation of the African Diaspora and has remained a leading forum of intellectual debate This issue of Transition focuses on Mad The editors look at connections between blackness and psychology examining Richard Wright's attempts to bring clinical psychotherapy to Harlem and revealing the links between schizophrenia and fears of black psychos As Ferguson Missouri becomes the latest community to rage against the state sanctioned murder of unarmed black men we ask what James Baldwin and Stokely Carmichael might have to tell us about why African Americans continue to be pushed to the margins of American society The editors also examine the marginalized community of black Palestinians doubly imperiled by Israeli slaughter and internal racism And finally on a lighter note discover music and art that we're mad about from Otis Redding and Vijay Iyer to Kara Walker and Christopher Cozier **The Virginia Quarterly Review**, 2015 **Gendered Tropes in War Photography** Marta

Zarzycka, 2016-09-13 Photographic stills of women appearing in both press coverage and relief campaigns have long been central to the documentation of war and civil conflict Images of non Western women in particular regularly function as symbols of the misery and hopelessness of the oppressed Featured on the front pages of newspapers and in NGO reports they inform public understandings of war and peace victims and perpetrators but within a discourse that often obscures social and political subjectivities Uniquely this book deconstructs in a systematic gender sensitive way the repetitive circulation of certain images of war conflict and state violence in order to scrutinize the role of photographic tropes in the globalized visual sphere Zarzycka builds on feminist theories of representations of war to explore how the concepts of femininity and war secure each other's intelligibility in photographic practices This book examines the complex connections between photographic tropes and the individuals and communities they represent in order to rethink the medium of photography as a discursive and political practice This book interrogates both the structure and transmission of contemporary encounters with war violence and conflict It will appeal to advanced students and scholars of gender studies visual studies media studies photography theory cultural anthropology cultural studies and trauma and memory studies Visual Methods in the Field

Terence Heng, 2016-11-10 The use of images particularly photography has been steadily gaining popularity in academia but there has not yet been a book that deals with the act and process of photo taking in the field Drawing upon 21 years of photographic experience and sociological research Terence Heng's immersive and narrative style will introduce photography as a qualitative method discuss the intricacies of challenges in and opportunities for using a camera in the field explore common themes and topics in social science research including photographing rituals space people and objects advise on navigating the always evolving technological landscapes of traditional digital and mobile photography Visual Methods in the Field Photography for the Social Sciences is a photography guide written for researchers by a researcher Using in depth ethnographic case studies from research done in various urban environments this book will act as a crucial bridge for students in geography sociology education media studies and other social sciences to incorporate photography into their research repertoire

*Killing for Show* Julian Stallabrass, 2020-10-30 See firsthand how war photography is used to sway public opinion In the autumn of 2014 the Royal Air Force released blurry video of a missile blowing up a pickup truck which may have had a weapon attached to its flatbed This was a lethal form of gesture politics to send a 9 million bomber from Cyprus to Iraq and back burning 35 000 an hour in fuel to launch a smart missile costing 100 000 to destroy a truck or rather to create a video that shows it being destroyed Some lives are ended it is impossible to tell whose so that the government can pretend that it taking effective action by creating a high budget snuff movie This is killing for show Since the Vietnam War the way we see conflict through film photographs and pixels has had a powerful impact on the political fortunes of the campaign and the way that war has been conducted In this fully illustrated and passionately argued account of war imagery Julian Stallabrass tells the story of post war conflict how it was recorded and remembered through its iconic photography The relationship between war and photograph is constantly in transition forming new perspectives provoking new challenges what is allowed to be seen Does an image have the power to change political opinion How are images used to wage war Stallabrass shows how photographs have become a vital weapon in the modern war as propaganda from close quarters fighting to the drone's electronic vision as well as a witness to the barbarity of events such as the My Lai massacre the violent suppression of insurgent Fallujah or the atrocities in Abu Ghraib Through these accounts Stallabrass maps a comprehensive theoretical re evaluation of the relationship between war politics and visual culture *Killing for Show* offers 190 photographs encompassing photojournalism artists images photographs by soldiers and amateurs and drones A comprehensive comparison of the role of photography in the Vietnam and Iraq Wars An explanation of the waning power of iconic images in collective memory An analysis of the failure of military PR and the public display of killing A focus on what can and cannot be seen photographed and published An exploration of the power and limits of amateur photography Arguments about how violent images act on democracy This full color book is an essential volume in the history of warfare and photography
