Women's Labour Activism in Eastern Europe and Beyond Selin Çağatay, Mátyás Erdélyi, Alexandra Ghiț, Olga Gnydiuk, Veronika Helfert, Ivelina Masheva, Zhanna Popova, Jelena Tešija, Eszter Varsa, Susan Zimmermann, 2025-08-26 This

collaborative monograph presents a deeply researched inclusive history of women's labour activism in Eastern Europe, Austria, Turkey, and transnationally. It explores women's activism and organizing to improve the working conditions and living circumstances of lower income and working class women and their communities in the region and internationally. Moving beyond the celebratory or partisan perspectives of many classical and some feminist labour histories, *Women's Labour Activism in Eastern Europe and Beyond* provides a careful historicization of women's actions in a multiscale perspective. The authors follow women aligned with a wide range of political persuasions, highlighting unexpected elements and continuities of women's labour activism. Women's activities are seen in the workplace in the everyday, within and across social movements and organizations, and inside the state. They are presented through a framing that spotlights long-term developments and bridges the divide between the literatures on gendered labour politics and activism in state socialist and capitalist societies. The authors examine activism unfolding in the region and the role of activists from the region within international women's labour and inter-state organizations. Moving women's labour activism from the margins of labour, gender, and European history to the centre of historical study, the volume makes an innovative contribution to the new global histories of labour and gender.
