## **World Exam Multiple Choice Releases:**

**Lessons for the Social Studies Classroom** M. Lazarus, S. Cohen, K. Lambert, R. E, 2013-03-12 The idea for this book came while I was observing a student teacher and a master teacher I realized that most student teachers while in training do not have the opportunity to think creatively about their lessons I also noticed that teachers new to the field of teaching suffer the same fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are one of the most important tools for a teacher and more important for the novice teacher I believe that during student teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans improving upon them and making them their own Most first year teachers over teach or under teach and both types still miss the marks on the standardized test These lesson plans will give the new teacher a place to begin

**AP Environmental Science Crash Course** Gayle Evans, 2011-10-01 REA's AP Environmental Science Crash Course is the first book of its kind for the last minute student or any AP student who wants a quick refresher on the course Written by an AP Environmental Science teacher the targeted review chapters prepare students for the test by only focusing on the important topics tested on the AP Environmental Science exam The easy to read review chapters in outline format cover everything AP students need to know for the exam human population dynamics managing public lands energy conservation changes in Earth's climate species extinction loss of biodiversity and more The author also includes must know key terms all AP students should know before test day With our Crash Course students can study the subject faster learn the crucial material and boost their AP score all in less time The author provides key strategies for answering the multiple choice questions so students can build their point scores and get a 5
