**Nobody's Child: A Tragedy, a Trial, and a History of the Insanity Defense** Susan Vinocour, 2020-03-24 A powerful and humane exploration of the history of the insanity defense through the story of one poignant case When a three year old child was found with a head wound and other injuries it looked like an open and shut case of second degree murder Psychologist and attorney Susan Vinocour agreed to evaluate the defendant the child s mentally ill and impoverished grandmother to determine whether she was competent to stand trial Even if she had caused the child s death had she realized at the time that her actions were wrong or was she legally insane What followed was anything but an open and shut case Nobody s Child traces the legal definition of insanity back to its inception in Victorian Britain nearly two hundred years ago from when our understanding of the human mind was in its infancy to today when questions of race class and ability so often determine who is legally insane and who is criminally guilty Vinocour explains how competency and insanity are creatures of a legal system not of psychiatric reality and how in criminal law the insanity defense has too often been a luxury of the rich and white Nobody s Child is a profoundly dignified portrait of injustice in America and a complex examination of the troubling intersection of mental health and the law When prisons are now the largest institutions for the mentally ill Vinocour demands that we reckon with our conceptions of insanity with clarity empathy and responsibility
