*Failing Boys?* Epstein, Debbie,1998-11-01 *Failing Boys* Issues in Gender and Achievement challenges the widespread perception that all boys are underachieving at school It raises the more important and critical questions of which boys At what stage of education And according to what criteria The issues surrounding boys underachievement have been at the centre of public debate about education and the raising of standards in recent years Media and political responses to the problem of boys have tended to be simplistic partial and owe more to quick fixes than investigation and research *Failing Boys* provides a detailed and nuanced case study of the issues in the UK which will be of international relevance as the moral panic is a globalised one taking place in diverse countries The contributors to this book take seriously the issues of boys underachievement inside and outside school from a critical perspective which draws on the insights of previous feminist studies of education to illuminate the problems associated with the education of boys This will be a key text for educators policy makers students and teachers of education sociology gender studies and cultural studies and others interested in gender and achievement

**Overtourism** Rachel Dodds,Richard Butler,2019-05-06 Overtourism has become a major concern for an increasing number of destinations as tourism numbers continue to grow stimulated by general economic and technological growth and the expansion of the global middle class This coupled with relentless promotion of tourism by many organisations and destinations has increased tourism despite growing opposition to excessive development This book is the first academic volume to deal with this topic and contains chapters by experienced researchers in the tourism field taking a multidisciplinary approach to review and explain the subject The introductory section begins with an overview of the current situation and the forces enabling the appearance of overtourism This is followed by a number of case studies from a range of destinations around the world both urban and rural which share the same problems The concluding section includes a discussion of potential mitigation methods and approaches and a final assessment of future developments The focus and relevance of this book are not just for academics as it offers insights into destinations enablers and solutions for how to address the issue of overtourism on a wide variety of scales This book offers

globally relevant perspectives on destinations as varied as Venice and Barcelona that have gained global media attention as well as less publicised rural areas and developing destinations      *Weekly World News* ,2000-03-28 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www weeklyworldnews com](http://www.weeklyworldnews.com) is a leading entertainment news site
